to have a three days jubiles and a grand banquet in their barracks next Saturday, Sunday and Monday. The meetings will be led by Adjt. Happy Bill Cooper. Some of the offipers formerly stationed here, and officers and soldiers from other parts of the Division and I are to be present to take part in the meetings. Capt. Jewer announces the programme as follows: Saturday night, real old time free and easy; Sunday morning, knee drill at 7 A. M.; Holiness meeting at 11 A. M.; after noon, sharp shooting from all parts of the bilding; wond erful Salvation meeting at Sight. Silver collection taken at the door afternoon and night. On Monday afternoon the Banquet is to take place in the basement of the Barracks, commencing at 5 o'clock. At 7.30 o'clock, muster of troops for march through the principal streets of the city, headed by the Gypsey Gingle Band. Jubilee commencing at 8 o'clock. Admission to jubilee and banquet, 30 cents.

The river was there four or five feet deep.

NONE OF MY SHOTS STRUCK MRS HOWES.

The river was there four or five feet deep we were about 50 the water level. Their cances or cances of gradual paralysis, Mary Matilda Sproul, aged 66 years and 10 months, leaving many friends to mourn their loss.

STRAYED!

At Lower Woodstock, on the 29th ult., after a lingering illness of gradual paralysis, Mary Matilda Sproul, aged 66 years and 10 months, leaving many friends to mourn their loss.

The river was there four or five feet deep. We were on a high back Dr. Connell found it necessary to amputate the river. We stayed about 10 minutes after

the last cance went down, then we CUT BACK THROUGH THE WOODS

gestive Organ, the liver, Kidneys, and all and on arriving at Sisson's brook we met Will Day, who said to us: 'Boys, Mrs. Howes is shot through the head,' I would not believe Tried and Proved.

it, nor Frank either. I then went right home and so did Frank. We each went to our Strawberry for summer complaint, and have he mes and stayed there till the officers came. proved it, after a fair trial, a sure cure, both I came from London, England, and have been

abroad that our family was in a starving condition at the time of the shooting occurred, but that was not so. A few days before this time we run out of flour and thought if we could get a few salmon we would trade them off for some meal. One thing that seemed to

WEIGH A GREAT DEAL AGAINST US, was the statement that my brother made when he stated that I had said that I intended to go and fire into their canoe as they were coming down the stream. He is a little deaf on the bank, if we could do so. In the statements made by Major Howe's party, they said have left me no discretion in imposing sent. that the shots went so near the canoes that it was almost a miracle that some peasons were not killed in every canoe. This is pure imagi-

Trafton corroborated the statement of Phillipine and said; "I fired five or six shots; I saw two strike the water. The first shot struck just ahead of the first canoe and the next was behind it and towards the shore. The third shot I did not see strike. I fired two shots at the rear canoes. All my shooting was done in the direction of down the stream. If I eaused the death of Mrs. Howes ia must have been by my third shot."

Professor Williams' Experience. Mr. Williams has a store of memories of perils in mid air. One of his best is the account of a night ascent he made with his partner in Vincennes one fourth of July, letting off fireworks from the car. The night was as black as ink, and when the car caught in a tree top Young climbed down. While navigation through the midnight darkness, and found that a string of half a dozen words Phillipine and Trafton, who have been sung or shouted loudly from a balloon are

SAILING ABOVE THE CLOUDS. "I never know what dizziness is-that is

the thin air. You are alone in space."

"Is it not cold at such a great elevation?" "Yes, the cold is intense. In the ex-
