### A CONTRADICTION.

(To the Editor of the Farmer.) SIR-A short time ago there appeared an article in the weekly Gleaner, entitled "disgraceful conduct at Cross Creek," which appears to have been contributed by a Cross Creek subscriber, and as such contributor would say, he has made an excellent effort in publishing an untruth. However, no name as yet can be found to own to the Cross Creek subsciber, so he must be ashamed of it. Now, sir, as one of the Cross Creek rowdies, (so called) in that article, I wish to say, in answer that the whole article is an untruth from beginning to end, and that no such disgraceful conduct ever occurred, and if this contradiction is not sufficient to the Cross Creek subscriber, I am prepared to prove the same in any court of justice. Thanking you, Mr. Editor, for the space in your valuable paper,

I remain, yours respectfully, HARRY BENNETT Cross Creek, March 24, 1888.
