Provincial Finances.

ally delivers, a fair and honest state- manent success. ment of receipts and expenditures, which after all is about everything necessary in a deliverance of that kind. The Hon. Provincial Secretary takes a very hopeful view of New Brunswick's prospects, and the circumstances fully warrant his remarks in this connexion. The man who preaches blue ruin ought to have no place in this country. He is its worst enemy, and should be tolerated least of all in public life. Mr. McLellan we are glad to say, is no such individual. He has an abiding faith in the future of New Brunswick; in the energy and intelligence of her people to push forward to increased development, and if the Provincial finances are [always as zealously guarded as a pecuniary sense, the practical interests that encourage and constitute true

the Government during the past year while providing for all the public services, have been able to reduce the floating indebtedness of last year, to a nominal amount, and so careful was the administration in its financial management, that even the critical management adequation should represent the oppositor of the temperance supply. He sincerely wished that the hopes of the Provincial Secretary would be realized again, he would recognize the cannot be forseen, rendering public travel over the bridges unsafe. As supply appears to be going rapidly through at the house I do not feel disposed to retard its progress by making any lengthy remarks but should support it; if it is blameworthy reject may be required of me as the different items would be realized again, he would recognize the cannot be forseen, rendering again, he would recognize the deputation should represent the oppositor and other progress to that end to the extent of the temperance supply. He sincerely wished that the hopes of the Provincial Secretary would be realized again, he would recognize the necessity again, he would recognize the form of the temperance in progress of the temperance and time again, he would recognize the feature, and that the hopes of the Provincial Secretary would be realized again, he would recognize the feature, and that the house of the floating respecting the great road and bridges again, he would recognize the floating respecting the great road and bridges again, he would recognize the feature, and that the house of the floating respecti management, that even the critical teenth instant." eye of Hon. Mr. Hanington could find no charge of moment upon which to arraign the Government There was very little room for criticism even, and the House for the first time in its history, passed the estimates through in one afternoon, with the exception of the item for the Stock Farm. The speeches of the Attorney General and Mr. Hanington readily display the temper of the members while the As- Legislature provides for the abolition economy.

tion have you not?"

Mr. Jamieson opposed Mr. Mills' motion coal district. We have also a line of 24 One Case of the Celebrated Crompton mending the Scott Act, and he said Mr. miles between Halifax and Margarets' Bay Corset Co's we are going to extend it to Mahone Bay, where we will connect with a system of about 100 telephones in Mahone Bay, Lunenburg and Bridgewater, which comprises as you know the headquarters of an immense fishery business. The line from Halifax to Truro is also going to be extended to Amherst (which is just halfway to St. John), and has already reached Londonderry, a distance of 17 miles from Truro. Posts KNITTING COTTONS, a distance of 17 miles from Truro. Posts are now all up to Amherst ready for the wires to be strung when the spring opens." "What have you done in New Brunswick?" We have in operation at St. John, an exchange of 350 instruments, which is connected by an independent live with St. Martins and intermediate points. We have in Fredericton a circuit of 70 telephones, at Parks' Cotton Warps, Woodstock 40, at Moncton 90, and have business arrangement for a connection with

> (about 30 telephones) now owned by Messrs Snowball and McKenzie." "What are your plans for the future as respects this province?" " I was about to say that we have completed our work in Nova Scotia with the exception of building a line from Hantsport near Windsor, to Annapolis. In this province i is our intention as soon as spring opens, it
