MONEY TO LOAN

With the City Treasurer on condition that the funds now in hand be deposited with the condition that the amount so deposited be returned to the fire Department upon a requisition, stating the enchanting summer months. The roads leading out of the city in every direction afford delightful drives, giving most picturesque views from the low hill tops, or else presenting long vistas of leafy shade. The city owes much to the first generation of its residents.

BLACK & HAZEN. THEY WERE ALL TREE LOVERS, Following will show how the money was and when they cleared up the land did not fail to leave many a stately forest monarch standing, or to adorn their homesteads and vacant plots with elms. Their forethought and good taste not only add to the pleasure of those who have followed them, but have yielded to their descendants a financial benefit; for as the city is growing, and growing fast it is, if the number of new buildings in

progress is any criterion, the lots which were set out with young trees a half century or more ago are in great demand. But the city has not always appreciated the value of its trees as it does now. About a quarter of a for the above Machine, kept in stock by century ago Governor Gordon offered to plant century ago Governor Gordon offered to plant every street with trees that was not already so provided; but the city fathers having some quarrel with him on the matter of taxes, would have none of his favors. Later they received Mayor Fenety's offer in the same direction more cordially, and by the effects of this gentleman and the co-operation of property holders generally the good work of the founders has been so supplemented, that in a few years every street will be bordered with luxurious foliage. Fredericton is dered with luxurious foliage. Fredericton is QUITE AB REAST OF THE TIMES

To the Chief Engineer and Secretary Rut- in most things. A few years ago it had no-St. Peter's Day, 1848.

The dead body of an infant was found in the river at Glasier's boom, Friday morning. Coroner Curie held an inquest. Autopsy by Dr. McLearn revealed the fact that the child had been born alive. The jury returned a live. The jury returned a live live was subscribed to carry out the money was subscribed to carry out the money was subscribed to carry out the money has been placed in the hands of the city will permit. Two eclectric light companies compete for the illumination of the city; a complete system of water supply has replaced the old wells and fire tanks; there is an excellent telephone service, and it ter, this report must be very gratifying, as it thing but the worst kind of wooden sidewalks, there is an excellent telephone service, and it F. J. McCausland's Jewellry Shop, will not be more than a year before the people are in telephonic communication with St. John, 63 miles distant by the shortest route. The train service is first-class; trains arrive and leave at almost every hour of the day : and this too in a place from which a few As a general thing Milville is enduring years ago the only means of conveyance durorchestra.
