ADDRESS.

The indications all point to 1889 being a good year for general business.

Throughout the world the reports are, that the volume of commercial transactions is being materially increased, and that the value of nearly all staple commodities is advancing.

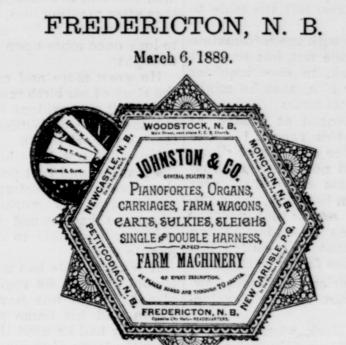

New Brunswick's great staple—LUMBER—is about

twenty-five per cent. higher in Liverpool and other great markets, than for some years past. Noting the tendency of values, we made large contracts last fall for stock in all our lines, for season of 1889, and as heretofore will give our customers the advantage of the same, selling everything at a small

margin of profit and upon favorable terms. We strongly advise persons who have in mind to procure anything in our line, to take advantage of the good goods we offer at recent prevailing low prices.
