Come, Fellow Farmers! It is the good things and the new things you want. Here is a Catalogue full of them! Do you want tested seed, raised from stock selected with extra care, grown from the best strains, got from the originators? I aim to have mine just such. Do you want new varieties that are really good, and not merely novelties? I aim to have mine such. Do you want seed that the dealer himself has faith enough in to warrant? I warrant mine, as see Catalogue. Do you want an exceptionally large collection to select from? Mine is such. Do you want them directly from the grower? I grow a large portion of mine—few seedsmen grow any! My Vegetable and Flower Seed Catalogue for 1889 FREE to everybody. JAMES J. H. GREGORY, Marblehead, Mass.

## Trotting Horses with Arabian

There are several owners of large landed estates in England who are very sanguine as to the advantages of breeding trotters from Arabian horses, and they are now making the experiment. They think that in the third generation, perhaps in the second, they will get a fair proportion of trotters which will be equal to the American, if trained as well, and on as good a track, with equally light barness and vehicles. A breeder reports one of these horses as now trotting six and a half miles in twentyeight minutes, attached to rather a heavy vehicle with three persons in it.
