ADDRESS.

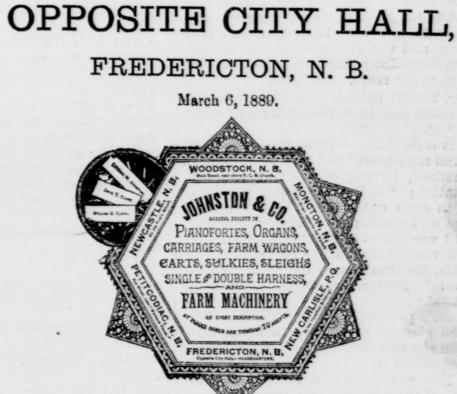

Throughout the world the reports are, that the volume of commercial transactions is being materially increased, and that the value of nearly all staple commodities is advancing.

New Brunswick's great staple—LUMBER—is about twenty-five per cent. higher in Liverpool and other great markets, than for some years past. Noting the tendency of values, we made large contracts last fall for stock in all our lines, for season of

advantage of the same, selling everything at a small margin of profit and upon favorable terms, We strongly advise persons who have in mind to procure anything in our line, to take advantage of the good goods we offer at recent prevailing low prices. When Flour, Lumber and Iron advance in cost, every-

1889, and as heretofore will give our customers the

thing else has the same tendency. We suggest to our friends to look carefully over their stock of Farm Machinery and examine the condition of their wagons, and if likely to need anything. to give us a call.
