face of this statement. It would be found that under the late Administration, in

CIVIL GOVERNMENT. the increase in seven years was 49 per cent., while the present Administration. so "reckless, corrupt, and extravagant," had effected a reduction of 8 per cent., or a total of \$71,492. Take up the next item—the item of ADMINISTRATION OF JUSTICE.

Under the late Government there was an increase of 58 per cent. in seven years: under the present Government an increase of only 23 per. cent. Presently he would refer to that increase and the cause of it. THE ITEM OF POLICE showed an increase under the late Ad-

ministration of 147 per cent. in seven years; under the present Administration the reduction in three years had been 80 per cent. And yet this was extravagance. Take up the management of PENITENTIARIES. The increase in the cost of managing our penitentiaries under the late Government

was 88 per cent.; the present Governof Commons the following speech delivered | ment has been able to reduce the cost by \$82,693, or 23 per cent. In LEGISLATION there was an increase of 42 per cent. under the late Administration, and a reduction

under the present of 24 per cent. GEOLOGICAL SURVEY,

240 per cent, increase by the late Govern ment; reduction by the present Govern. ment 2 per cent. In

ARTS, AGRICULTURE AND STATISTICS. would have noticed that the line of argu- they found an increase in seven years ment, if argument it could be called, pur- of 244 per cent. This item, under the sued by hon. gentlemen opposite was to present Administration, had increased 143 per cent. but to the cause of this increase he should refer presently. The cost of EMIGRATION AND QUARANTINE had increased only by the small amount of 428 per cent. in seven years under the late Administration ; under the present in

refer to presently. The cost of with professions of candour and fairness. MARINE HOSPITALS was increased by the late Administration The hon, member for Niagara (Mr. Plumb) was particularly anxious to fasten the 216 per cent.; this the present Government had reduced by 6 per cent. in three charge of extravagance on the present Administration, while, at the same time. years. With regard to

three years, that increase amounted to 22

per. cent., which increase he would also

SUPERANNUATION, fied the enormous increases which took in three years the gentlemen opposite increased the item by 402 per cent., and ment during the seven years of the old yet the present Government was blamed Administration. Not a word of censure by every organ of the Opposition, and by could be utter against the extravagance of hon, gentlemen opposite for increasing the his own party, and not a word either to excuse or justify even the smallest in-

same item 61 per cent. MILITIA-PUBLIC WORKS. There was also a large reduction under the present Government in Militia expen-Treasury benches. In dealing with the diture, amounting to \$428,925, and the Public Works chargeable to income \$563,178, the percentage respectively being 55 and 31. Under the late Administration the increase in the management of

LIGHTHOUSES give percentages. This method of analysis was 208 per cent. in seven years; this would not only be more easy of reference, had been reduced in three years to 121 per cent. The cost of the were increased by 150 per cent. in seven

years by the late Administration, and 23

found that the increased expenditure for per cent. during three years under the all purposes during the seven years of the present Government. The item existence of the late Administration MISCELLANEOUS showed an increase of 9 per cent. under the amounted to 73 per cent., or to an average of 10 per cent. per annum. During the late, and three per cent. under the present last three years he found the increased expenditure of the present reckless, extrava-INDIAN GRANTS,

gant and corrupt Administration - as they the increase, although not without justihad been told it was-was only one per fication, he supposed—he did not condemn cent. in three years, or one-third per cent. it-was 2,000 per cent; while the present per annum. He held that this was the Government had only increased this extrue basis upon which to decide as to the penditure by 45 per cent. In the manageextravagance or economy of the two Adment of the DOMINION FORCES. which was an item only created in 1871-2. THE CIRCUMSTANCES OF THE COUNTRY NOW the increase was 42 per cent. in two years:

were very different to what they were the reduction, since the late Government some years ago, and if they could show that, with increased obligations, necessitawent out of power, had been 85 per cent. The management of ted by opening up new territory in the west, and by the management of large DOMINION LANDS from 1870-1 to 1873-4, increased nearly public works which had been begun by 2,000 per cent; this the present Governtheir predecessors, and which the present ment had been able to reduce in three Administration was compelled to comyears by 68 per cent. plete-if they could show that the ratio

These items exhaust the whole ordinary of the increased expenditure was less than it was under the old Administration, they expenditure of the Government. A SUMMARY. on the one hand, justified themselves for Summarized, it simply amounts to this: any increase by the altered circumstances That in seven years the old Administra-tion increased the ordinary expenditure of the country, and, on the other hand. of the country from \$3,630,298 in 1867.8, THE ECONOMY OF THE PRESENT GOVERNMENT to \$8,324,076 being an increase of 129 per by showing that, under such altered cir- cent.; while the present Administration cumstances, the expenditure had increased reduced this expenditure, in three years at a much smaller ratio, if it increased at to \$6,835,078, or a reduction of 171 per

all, than under the old Administration. Let hon, gentlemen recollect the fact that THE SAVINGS CAPITALIZED. If they capitalized this reduction of \$1, 488,998 for the comfort and consolation of hon. gentlemen opposite, what did they was ten per cent. and that the average find? That by their economical manageunder the present Administration amountment of the ordinary expenditure alone, ed to but one-third per cent. per annum. they were able to save to the country a Let him deal with some of the matters in sum of money which it capitalized at 5 per detail, as set forth in the balance sheet cent., for that was about the rate of interappended to the Public Accounts. Let est hon. gentlemen opposite paid, reprehim first take up the charges for debt and subsidies, and it would be found that a sented the large sum of \$29,779,960. He had now given a general review of the large increase in the item of interest; an ordinary expenditure of the country, and increase for which the country had a right he would next call the attention of the to require an explanation at the hands of House to matters in which there had been the present Government. But the explanation was easy. His hon. friend from

SIR :- I notice in the Advocate of last week something about Sunday fishing at Napan Bay, and about "Geordy," the Overseer of the district, the ex-Warden, ' Pilgrim" and "Jack" the Smelt Merchant, "Grit Government," etc., etc. People in this vicinity know that writing tion were needed, they could have it from | was not done at Napan Bay, but in Chatham by the ex-sinecure holder, who would not give up till he was kicked out. He takes it so hard that he must employ his pen, as usual, writing fiction. I am sursurprised to see that the "Fishermen's Rock" makes himself so small with trifles. as the Advocate admits him to be a man of high reputation, but "he that walketh with the wise shall hear good instructions, If the present Administration had been but the companion of a fool shall be deobliged, in the interest of the public ser- stroyed." He says this "Geordy" is a vice, to go to the English market and bor- troublesome fellow, but that is only when he meets with such impostors as he had to contend with in 1877. He speaks of "Geordy" getting the District as Overseer, if so, when the time arrives that his service is required no longer by the fishermen, I hope he will have more honour than to get up a talse requsition for the purpose of holding his office. He says we are a few privileged ones here, as

onehalf per cent, than the average at the Government allows us six weeks credit which the preceding Administrations were for salmon tax; for this the Government able to borrow. This item of interest acted wisely and much credit is due to alone represented the sum of \$700,000 per our Overseer for the stand he took in being to the admirable system of arithmetic half of the fishermen in getting this six practiced by hon. gentlemen opposite, it weeks credit. No doubt he will get his money and correct returns. It is a pity sum of nearly \$18,000,000. That was to say that, at the present time, we were a man of such ability to write should not able to use in the management and con- have a Cutter to sail the sea; what wonstruction of the public works, \$18,000,000, derful tales he could tell about fish, etc. He must have something to do or he will not be able to contain himself. I thought at one time that this Tom Cod would dismiss the Minister of Fisheries, but the requisition was hardly strong enough for RETURNING TO THE COST OF MANAGE-Yours,
