THANKSGIVING SERVICE:-Thursday 6th inst. being thanksgiving day a united service was held in St. Andrew's Church, Chatham. Rev. Messrs. McBain, Teed and Howell were present. Rev. S. T. Teed preached the sermon taking for his text the first clause of the 14th verse of the 50th Psalm, "Offer unto God thanksgiving."

FOUNDERED :- The Tug Sultan of Miramichi, which has recently been engaged in Dominion Government work at Prince Edward Island and the north shore of Nova Scotia is reported to have foundered in a snow squall. Fortunately the tug had a whale boat on board and Capt Carter and crew were saved. The insurance was, we understand, \$4,000. The owners were Messrs Call of Newcastle, and Sadler and Muirhead of Chatham.

BURGLARY .- On Wedneslay night of last week, or early on Thursday morning, burglars effected an entrance into the store of John Fish, Esq., Newcastle, by window and breaking the glass to enable them to raise the sash. They descended to the store below, passed over \$100 worth of goods out the back door, which, it is supposed, they drove off by means of a horse and wagon stolen from Mr. W. S. Brown's premises. The horse found its way home again in the morning. It is not supposed that the burglars are country people. WEEK OF PRAYER. - In accordance with the recommendation of the International Convention of the Y.M.C.A. held at Baltimore, last May, and the World's Convention held at Geneva, Switzerland, at which 11 nations were represented, an International Week of Prayer was resolved on to commence on the 2nd. > -----Death of an old Resident.

Mr. William Doyle died at the residence of his son, John, Bartibogue, on Tuesday of last week, and ninety seven years. He came to New Brunswick fifty-six years ago and lived in Newcastle for five years, having his house burned at the time of the Great Fire. Removing thence he went to Bartibogue where he has since resided. His family say they never saw him ill until the Thursday before he died. He was always about the farm or looking superintending the covering of turnips in baskets and crates.

the existence of the society, and when the depression in business, with its attendant disadvantages was considered, there was much to be thankful to Providence for in the way in which its efforts had been blessed. In conclusion, a hope was expressed that those who had left the ranks. of the scciety would return and lend their aid with fresh energy, and that all who had the cause at heart would use their efforts to carry on a movement which had

been of such material benefit to Chatham. On Sunday last appropriate services | since its first inauguration, The report was adopted.
