To our Patrons and the Public generally: -

Decming it desirable in the interest of common ense and fair play. we have decided on making a change in the manner of conducting our business After 1st January, 1880, we will sell STRICTLY FOR CASH, a course which will appear reasonable and right when looked into; for instance, we have ost on an average yearly, between \$500 and \$600 in bad debts and interest on sums owing, and not paid. The parties who have to pay this amount are nose who have bought for cash, which is manifestly unfair, by adopting this plan we will be enabled to sell, at least, 10 per cent. lower than before, thus Canary, Hemp, Rape, Maw & Millet Seed for Birds, benefiting our customers to that amount. It is unfortunate, however, in these poor times. hat goods have taken such a tremendous rise in All rubber goods have advanced twenty er cent., and all leather goods ten per cent., but otwithstanding this, with our proposed method we will be able to sell NEARLY ALL LINES AT OLD

RATES and SOME AT LOWER. We may also state,

that anything we may have occasion to book, will
