PHILA., PA., July 8, '77. H. R. STEVENS, BOSTON:

Dear Sir-The great benefit I have received from the use of Vegetine induces me to give my testimony in its favor. For several years my face has been covered with pimples, which caused me much annoyance, and, knowing it to be a blood disease, I consulted a number of doctors, and also tried many preparations without obtaining any benefit until I commenced taking Vegetine, and before I had used the first bottle I saw I had the right medicine. I have used three bottles and find my health much improved, my humor entirely cured Yours resp'y.
