Westerly by Lot No. 5, granted to Alexander Loggie, Northerly by vacant Crown Lands, Easterly by Lot No 3 granted to Lewis Robicheau, and Southerly by Burnt Church River, and the part or parcel of the said lot or sixth tract hereby conveyed or intended so to be, is described as follows. viz :- Beginning at a stake standing at the North erly part of the marsh about five chains from Burnt Church River on the dividing line between the said sixth tract and Lot number three, granted to Lewis Robieheau, thence North ten degrees West according to the course laid down by the original Grant, making allowance for the difference Chatham Livery Stables. of variation, one hundred and forty chains or to the rear of the said sixth tract; thence south eighty degrees, West fifteen chains, or until Regular Coaches to trains leaving and arriving at it meets the north-east angle of Lot number a, granted to Alexander Loggie, thence South ten degrees East along the dividing line between the said sixth tract and the said Lot number 5, until it meets the Northerly edge of the marsh in fron-Office and Stables - - - Water Street, Chathan., thereof and from thence following along the Northerly edge of the marsh in an Easterly direction to the stake at the place of beginning.

Also:—The whole of the Island of upland known by the name of Robicheau's Island, situate, lying and being on the front or Southerly part of the marsh on the front of the said Lot or sixth tract and containin about three acres, more or less. Also: -All that Lot or Parcel of Land which was ranted by Letters Patent to one Alexander loggie and by him conveyed to William Morrison Loggie and by him conveyed to William Morrison situate lying and being on the North side of Burni Church River in the aforesaid Parish of Alnwick described on the original Grant as Lot number five and abutted and bounded as follows, viz:—Westerly by Lot number six granted to James Anderson, Northerly by vacant Crown Lands Restarly by a Lot known in the original Lands, Easterly by a Lot known in the original Grant as the sixth tract, granted to Joseph Benoit,

> Dated the 5th day of December, A. D., 1878. RICHARD CARMAN A. H. Johnson, Plffs, Solicitor,

Southerly by Burnt Church River and containing

by estimation seventy-five acres, more or less.

Manufs'., Builders, etc. TO THE FARMERS OF MIRAMICHI. We have been Manufacturing

IRON FRAME MOWERS

"NORTH AMERICA HOUSE," er the last four years, and are now offering to the farming community this, the BEST MOWER, HOUSE has lately been refurnished and every combining greater excellence of mechanical simarrangement made to ensure comfort to travellers. Good Stabling and good Shootplicity together with greater durability and entire reliability for all the requirements of the field, than any other Mower extant. - In construction they are

similar to the celebrated Walter A. Wood's Iron Frame Mower, and the Richardson Buckeye, both American Machines. Of the former there are over 200,000 in use, and the extraordinary number of 20,000 were manufactured and sold last season, by Canada House, the Wood Company of United States. We have over 500 of our manufacture now in use, every one of which (no exceptions) stands as a monument of the grand and unprecedented success of home WM. JOHNSTON, - - - PROPRIETOR. nanufacture and our enterprise. A list of our Agents in this section of the Province will be found appended, and farmers are requested to ask infor-CONSIDERABLE outlay has been made onthis House to make it a first-class Hotel, and nation of them relative to our Mowers in use in their respective localities, which will establish beyond doubt their unquestionable superiority or travelers will find it a desirable temporary resiany other mower to be had in our market. dence, both as regards location and comfort. It The facility of procuring all parts or pieces with is situated within two minutes walk of Steamboat Lending, and opposite Telegraph and Post Offices.

The Proprietor returns thanks to the Public for hadow of a doubt the claims such an enterpris has upon the farmers of the Maritime Provinces. the encouragement given him in the past, and will For the coming harvest of 1877 we will manufacture LAR 3 1 7 in excess of our numendeavor, by courtesy and attention, to merit the
