### VEGETINE.

HER OWN WORDS. BALTIMORE, Mp., Feb. 13, 1877. Dear Sir,—Since several years I have got a sore and very painful foot. I had some physicians, but they couldn't cure me. Now I have heard of your Vegetine from a lady who was sick for a long me, and became all well from your VEGETINE, and time, and became all well from your VEGETINE, and I went and bought me one bottle of VEGETINE; and after I had used one bottle, the pains left me, and it began to heal, and then I bought one other bottle, and so I take it yet. I thank God for this remedy and yourself; and wishing every sufferer may pay attention to it. It is a blessing for health.

MRS. C. KRABE, 638 West Baltimore Street.

In 1872 your Vegetine was recommended to me, and yielding to the persuasion of a friend, I consented to try it. At the time I was suffering from general debility and nervous prostration, superinduced by over work and irregular habits. Its wonderful strengthening and curative properties seemed to affect my debilitated system from the first dose; and under its persistent use I rapidly recovered, gaining more than usual health and good feeling. Since then I have not hesitated to give Vegetine my most unqualified indorsement, as being a safe, sure, and powerful agent in pronoting health and restoring the wasted system to new life and energy, VEGETINE is the only medi-cine I use; and as long as I live I never expect to find a better. Yours truly, W. H. CLARK, 120 Monterey Street, Allegany, Pen.

Vegetine was strongly recommended to me by a friend who had been much benefited by its use. I procured the article, and after using several bottles, was restored to health, and discontinued its use.
