HER OWN WORDS.

Dear Sir,—Since several years I have got a sore and very painful foot. I had some physicians,

but they couldn't cure me. Now I have heard of

after I had used one bottle, the pains left me, and it began to heal, and then I bought one other

bottle, and so I take it yet. I thank God for this

remedy and yourself; and wishing every sufferer

may pay attention to it. It is a blessing for health. Mrs. C. KRABE, 638 West Baltimore Street.

VEGETINE

In 1872 your Vegetine was recommended to me

and yielding to the persuasion of a friend, I con-

sented to try it. At the time I was suffering from

general debility and nervous prostration, superin

duced by over work and irregular habits. Its

wonderful strengthening and curative properties

seemed to affect my debilitated system from the

first dose; and under its persistent use I rapidly recovered, gaining more than usual health and

good feeling. Since then I have not hesitated to

give VEGETINE my most unqualified indorsement,
