Miramichi and the North Shore, etc.

A. J. LOGGIE advertises spring goods this week.

HAY:-Mr. John U. Loggie, opposite Chatham, offers a lot of hay for sale. SAMUEL HABBERLY, Esq., has returned from a trip to the United States.

"YE OLDEN TIME," is to be exemplified in a very attractive manner at the Old Folks' Concert. which is to be given next Thurs.lay evening in the Masonic Hall, nu der the auspices of Emanual Reformed

Episcopal Church.

THE PRESBYTERY of Miramichi will meet (D. V.) in St. John's Church Chat ham, Tuesday 1st. April next, at 10, am. Business : application for supplements, election of Commissioners to General Assembly, d., d.,

PERSONAL .- Mr. Gordon Blair, of Chat ham, lately accountant of the Newcastle Agency of the Bank of Montreal, has been removed to the Halifax Branch. This is. no doubt, a step in the direction of promomotion. Mr. Blair has the good wishes of a large number of friends on the Miramichi.

FIRE ALARM. -On Friday morning last, about five minutes to 8 o'clock, an alarm of fire was sounded. The property in danger was Mr. Muirhead's building on Foundry Lane, occupied by Mr. Loban. The fire arose from a spark from the chimney, and, after doing some slight damage to the roof, was easily extinguished.

CARRIAGE REPAIRS, etc. Mr. Alex, Robinson, carriage and sleigh manufacturer has leased the tannery building nearly opposite Mr. Roger Flanagan's, where he intends to carry on business, commencing 1st April. He is a good and reliable mechanic who will doubtless receive a large share of patronage.

Mr. McDougall's Dismissal.

The Provincial Secretary is reported b the Advocate, as having read the closing portion of our remarks of last week on the above subject, in his place in the Assem bly, and to have said. --

This statement was not in keeping with the facts, and arose from the fact that his remarks on the occasion when Mr. Hnt chison moved for papers &c., had been misreported. What he did say, was that Dr. Smith did not attend or vote ; that Walsh did attend and vote, but that if Walsh had not voted there appeared a majority for Mr. M'Dougall's removal, as, on on evidence 46, curia adversari vult. livision, there were sic yeas and four nays. Walsh voted yea and M'Dougall

nay. He had so read the division when matter was first mentioned in the House, and since that time he had receiv claimed \$10.47. The jury found for the ed a certified copy of the Minutes of th meeting corroborating his statement. If there had been any mistake-he would not say untruth-in the matter-it had not been made by the Government or by the Provincial Secretary. Mr. Wedde burn's argument was, that the appoint ments of Messrs. Smith and Walsh were not made by the Government for the pur was contrary to evidence and justice and pose of removing Mr. M'Dougall, as Smith should be set aside. Mr. E. P. Williston did not attend at all, and the majority for defendant contended that as it was a (whether they were justified or not in

their action) appeared to favor the remov. al, as the vote proved, without including Dr. Smith or Mr. Walsh. Our report of Mr. Wedderburn's former remarks were from the Star, the Gov-

ernment's special organ, and it is a little singular, that Mr. Wedderburn has only milt. just dicovered that he was misreported. We hope we shall not hear that the Advocate has also "misreported" him. Our

Stil Recitation-by Calvin Craig. National Anthem.

Serious Stabbing Affray.

On Tuesday night between ten and halfpast ten, after Joseph Maher of Semiwagan Ridge and Messrs. Wm. Cormick and John Handley, of Nelson, had been drinking in Carrol's bar-room, Nelson, Maher slashed Cormick with a knife, letting his bowels. out to the extent of eight inches, and also cut Handley in the arm. It appears that Maher had taken his coat off and Cormick was trying to induce him to put it on, when he received the wound. Handley was injured in attempting to assist Cormick. Dr. Bishop is attending Cormick whose recovery is considered doubtful.

It is said that efforts to get Magistrates in Newcastle or Nelson to issue a warrant against Maher were unsuccessful up to yesterday afternoon.

An occasional corresdondent sends the following.

Alex. Atchinson, Esq., who has recently been appointed seizing officer, received information from the Department, that tresspassers were at work on the Crown Lands, about three miles north of this town, and on Thursday last, he proceeded thither, and succeeded in seizing a number of loads of wood, besides a large num. ber of cedar rails.

Mr. Lister, whose dismissal from the "tailway the "Tooley street combination" have secured, is having a petition circulated among his many friends, asking that he be reinstated.

Chas. Elliott, Esq., has purchased the Lowrey House, and has had it placed on the lot belonging to the Dominion Government. Mr. E. contends that he has as good a right to take government land as the persons who placed a building on the that if the prisoner was aware that the same lot a year ago.
