If they held the securities with felonious intent, they are guilty, but if their intention was to return them to their owners, they are innocent. NEW YORK, July 7.-Police Inspector Byrnes to-night arrested Lawrence R. Jerome, jr., son of the well known banker and sporting man, and Edward M. Patchell, manager of the banking house of Guy, Bevan & Co., on a grave charge. A messenger boy in the employ of Brayton, Ives &. Co., was sent out last Saturday to deliver stocks valued at \$87,200. The Sec.-Treas said that the repairs must be paid by the Police District.

On motion of Coun. W. S. Brown, it was ordered that the bill he paid as recommended by the Committee, but that \$7.00 he charged to the Police District of

Chatham, for repairs and lime etc. Account of Mr. M. Sargeant, Newcastle. The account was brought up last January, and there was a balance claimed on it of \$14.25, the whole amount being \$42. Coun. Jas. Brown said Mr. Sargeant had been hardly dealt with, as he paid the orders for labor about the jail under the impression he was acting correctly, and if entitled to the amount he should be paid.

Coun. W. S. Brown complained that Coun. Jas. Brown's present course was inconsistent with his conduct when on the Committee, where he agreed with the others, and now came forward to oppose his own action. He himself believed Mr. Sargeant was hardly dealt with, but the Committee could not give him that money, as they believed that it had already been paid in the jailor's fees.

Coun. James Brown defended himself against the charge of inconsistency.

The orignal motion that the amount should be paid in full, being lost, it was moved in amendment and carried, that the amount paid Mr. Sargeant be the same as that decided upon by the Committee last January.
