its church by fire, it shall not receive any further aid from this Fund." Moved by Dr. Waters, seconded by Dr. McCulloch. the difficulty was in keeping the property insured afterwards. The Supplementing Committee obtained leave to sit during the afternoon.

REPORTS OF PRESBYTERIES.

The Reports of Presbyteries on the

efforts made to secure contributions from

their congregations to the Schemes of the Church were called for, and it was agreed that the several clerks should report orally. Verbal reports were made by different nembers of Synod on behalf of the Presbyteries of Truro, Pictou, and Halifax,

Lunenburg and Yarmouth, which were

Dr. Waters in reference to the St. John

generally approved by the Synod.

Presbytery said the clerk of the Presbytery would not be present, and he could not say anything about the matter more than others. He would say the Presbytery of St. John had been doing the best they could; districts had been laid out and the duty of subscribing to the Schemes of the Church duly pressed. Of the required amount. \$1,605 had been raised, which he admitted left a large deficit. They had been dealing with the Supplementing Fund of late and a large part of the Presbytery might moreover be regarded as a mission

He thought, however, the city congregations might have done more. As to Calvin Church, it had been visited, but it was in great financial difficulties, being large debt, but there was a good work engaged in a lawsuit. ponding members. The Rev. Mr. Houston presented the report of the business committee, which was adopted.

PLACE OF NEXT MEETING. Rev. Mr. McLean Sinclair, advocated that the time of the Synod's meeting should be changed to the fall, and made

a motion to that effect. Considerable discussion ensued, and it was finally shewn that the change was unadvisable, if not impracticable, and an amendment in favor of Spring was finally

It was then moved by the Rev. Mr. Scott, of New Glasgow, seconded and carried unanimously. "That the next meeting of the Synod be held in the United Church Glasgow, in June, on Tuesday of the week previous to the

meeting of the Assembly. REPORT OF PRESBYTERIES RESUMED. Mr. J. F. Blanchard, of Truro, thought the matter of collecting for the Schemes of the Church, should receive attention. He was struck by the remarks concerning a church in St John, which had only contributed \$61, and another which had given \$90. He thought where congregations

failed, they ought to be shewn up. The Rev. Mr. McRae, regretted the con. tributions were so small, but they had adopted a system which they thought would work well. His own Congregation was a miscella reous one, and had not been trained in habits of giving, and, then, they had suffered much from the fire. He thought that this bringing up of con-
