## Vegetine.

## Female Weakness.

No better remedy in the whole materia-medica has yet been compounded for the relief and cure of Female Complaints of the ordinary kind, than VEGETINE. It acts in these cases with unfeigned certainty, and never fails to give a man and healthy tone to the female system, to remove relaxes, and to restore healthy secretion and restore a healthy vigor and elasticity. One of the best qualities of Vegetine is that it acts on the body or Whites, which are brought on either by the presence of Scrofula in the system or by some affection of the Liver, or by the presence of Worms. For all these complaints, and when danger begins to threaten woman a turn of life. Vegetine can be recommended with entire confidence. The great prevalence of these disorders, and their cure by Vegetine, has simply shown that the sure and safe remedy for them is to be found in it, but is already known, and is a favorite with all ladies. Too long has it been the custom to prescribe what is pleasant, efficacious and cheap. Try Vegetine, and do not doubt it will carry you safely through danger and disease.

A Splendid Medicine.—Heart and Kidney Disease, Female Weakness.

Grosvenor, Ill., July 27, 1878.  
H. R. STEVENS.—Dear Sir.—I was afflicted with Heart and Kidney disease, and other female complaints, and received no benefit, until I tried your Vegetine, and after taking two bottles I was completely relieved. I have had no trouble since ever since, although I am a woman in my sixtieth year. I do heartily recommend it as a splendid medicine, especially as I have been, and I trust the day that it fell into my hands.

MARIE MEREDITH, 100 East Ave.

Scorfula, Liver Complaint, Dyps-penia, Rheumatism, Weakness.

H. R. STEVENS, Boston.—I have been practising medicine for 25 years, and as a remedy for Scrofula, Liver Complaint, Dyps-penia, Rheumatism, Weakness, and all kinds of the blood I have never sold. I have sold Vegetine for seven years, and have never had one come back to me. It is a true and reliable medicine in its cur's, it has never failed in one instance.

Dr. W. ROSS, Boston.

VEGETINE acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the serous organs, relieves inflammation, cures ulcers, stimulates the body, and relieves pain in the back case; in fact there is no disease that cannot be relieved by its use.

It is a true and reliable medicine in its cur's, it has never failed in one instance.
