YOUMANS' CONCERTS :- During the past week Mr. Youmans has given two Concerts in Masonic Hall, Chatham. He was assisted in the same manner as last year by his class, composed of a large number of children, with his little niece, May Fitzgerald, as a special attraction. The attendance on both occasions was large and the performances very entertaining. bill Several of the town children developed remarkably good talent for such entertainments, while Miss May Fitzgerald made herself a decided favorite by her excellent singing and acting. Mr. Youmans possesses the secret of organizing children for affairs of this kind, and well deserves the encouragement he receives wherever he is known.

HONORS :- Mr. J. J. Gaynor, of Chatham, whose success in carrying off the Martriculation Scholarship of the Buffalo College | up their accounts. of Physicians and Surgeons, was noticed in the press some time ago, has won fresh honors in the same Medical School. In the February examinations he took the "Wetmore Gold Medal" for surgery and surgical anatomy, the 'Babcock Prize' for gynecology and midwifery, and the premiums for chemistry, toxicology, and anatomy. Mr. Gaynor's success is more than remarkable from the fact that the 3 prizes were won over the heads of students of all years. Mr. Gaynor studied medicine in this Province under Dr. Boissy, of Memramcook. - Woodstock cor. Telegraph.
