The Local Government vs. the Sheriff of Gloucester.

To the Editor of the Miramichi Advance :

SIR: - The dismissal of Mr. Vail.

Sheriff of Gloucester, is, at the present

time, creating considerable discussion, and judging from the information elicited therefrom, there cannot be a doubt but that the act is one that reflects anything but favourably upon the present Government by whom he was appointed to the office. It will be remembered that at the time Mr. Vail received the appointment, the Caraquet Riot was in full blast, while the person who then held the office was either afraid or unwilling to perform his duty, and no other man could be found in the county willing to accept the office and perform its difficult, dangerous and anything but desirable duties. Sale of Lands. To encourage the rapid settlement of the Country, the Canadian Pacific Railway Company will be pre-pared, until further notice, to sell lands required for agricultural purposes at the low price of \$2.50 an acre, payable by instalments, and will further make an allowance by way of rebate from this price, of \$1.25 for every acre of such lands brought under cultivation within three to five years fol-lowing the date of purchase, according to the nature

and extent of the other improvements made there-

The lands thus offered for sale, will not comprise Mineral. Coal or Woodlands, or tracts for Town sites and Railway purposes.

Contracts at special rates will be made for lands required for cattle raising and other purposes not involving immediate cultivation. Intending settlers and their effects, on reaching the Company's Railway, will be forwarded thereon to their place of destination on very liberal terms.

Further particulars will be furnished on application at the Offices of The Canadian Pacific Railway Company, at Montreal and Winniber
