Next morning they again took the trail and came suddenly on the game. Mr. Hutchison shot one bear. "Mortimore," then, is the correct thing, and a very pretty name for a rising and enterprising industrial centre.

Bank Suspension !

News was received here by telegraph this forenoon, that the Bank of P. I Island, doing business at Charlottetown, had suspended, and later telegrams came to hand stating that the Cashier, Mr. J. R. Brecken, had absconded. The news soon became public, and the notes were everywhere refused. It is stated on the streets that Brecken has been operating with parties outside, and that that is the cause of the trouble.

The Bank had a paid up capital of \$200,000, its stock has been selling at a good premium, and last year it paid a dividend of eight per cent. The shareholders, who are liable for treble the amount of their stock, are mainly wealthy men, and depositors and note-holders, it is likely will not lose anything. The Bank has not been in a sound condition for some time past. The Directors are :-Lieut. Gov. Haviland, Hon. John Long. worth, Judge Hensley, Hon. W. W. Lord Mr. R. Heartz, and Mr. James Peake

Another Letter from Mr. Smallwood.

NEWCASTLE, Nov. 25th, 1881. To the Editor of the Miramichi Advance. SIR :- As I have waited sufficiently long for a reply to my several questions in letter dated 25th ult., and have not received any, I, therefore, conclude that they are unanswerable. In my present letter I would ask of the Sec'y-Treasurer if the Councillors elect have fully complied with chapter 99, sections 35 and 127, (Schedule D.) part of former section which states that no Councillor shall act as such until he has taken and subscribed the oath (D) in the schedule hereto, which oath may be administered by a Justice of the Peace for the County; and unless such Councillor shall subscribe such oath within ten days after notice of his election, he shall be deemed to have refused to serve, and shall be liable to pay the Sec'y-Treas. such fine,

not exceeding forty dollars, as the Bye-

laws of the Council may prescribe, etc. In reference to running as a candidate for the Local House, I am still of the same mind, and shall, at a convenient time, declare my views of the Local Government's Policy to the people of this County. Meantime, I shall content myself with stating that the Government is a most corrupt and extravagant one, and that the principle of re-construction or re-destruction of the people's interest, as it should be termed, will receive its death blow at the next general election. Already the signs of the time give clear indication that the people are heartily tired of the Government's acts, and only wait the time to return men who will faithfully and conscientiously discharge their sacred functions to their country. I shall run as an Independant candidate working with the Government, in their good acts and condemning them in their bad ones. More W. F. SMALLWOOD.

Amid all their privations the wonder is how the Donegal peasantry contrive to live at all.

A World of Good.

One of the most popular medicines now before the American public, is Hop Bit-You see it everywhere. People take it with good effect. It builds them up. It is not as pleasant to the taste as some other Bitters, as it is not a whiskey drink. It is more like the old fashioned bone set tea that has done a world of good. If you don't feel just right try Hop Bitters. - Nunda News.

Almost young Again.

My mother was afflicted a long time with Neuralgia and a dull, heavy inactive condition of the whole system; headache, nervous prostration, and was almost helpless. No physicians or medicines did her any good. Three months ago she began to use Hop Bitters, with such good effect that she seems and feels young again, although over 70 years old. We think there is no other medicine fit to use in the family."-A lady in Providence, R. I.-
