Boys Lost. -On Thursday, three boys, their places were well supplied by Mr. Berryman Baker, Thos. Matheson, and J. Howard. Donovan, went out to the woods back of Ryan's Meadows, some three or four miles from town, for the purpose of shooting rabbits. They wandered away a considerable distance, and as evening drew on came to the conclusion that they were lost-and they were. They did the best possible thing under the circumstancesbuilt a fire, and camped for the night. Two parties went out in search, and one of the parties, on arriving at the Meadows, fired a gun, which was heard by the bors, who answered by firing one of their guns. Two of these in search went went off in the direction of the shot, and two memained at the Meadows. They travelled in some two or three miles, firing shots and receiving similar signals in return, and finally came upon the boys about 10 P.M., who having no provision except a half dozen cakes, had cooked a rabit and demolished it, without any complaints as to the absence of seasoning. The next time they go hunting we advise them to take some provisions with them. -Advocate.

Now, does he forget that even in the insignificant town of Chatham, the citizens have been able to find a man of the medical profession with intellect enough to fill the position of Trustee of the school of the middle district, a man, whose opinion, I fancy, stands at least as high as the one spoken of by the Advocate. Be this as it may, the public of Chatham are satisfied with the action of the School Trustees in this matter, and are quite competent to manage their own affairs without the aid of Mr. Advocate or his triend who stands so well in the medical profession.
