GENERAL BUSINESS.

Golden Ball, Shoe Store

FURNITURE EMPORIUM.

The Golden Ball Boot and Shoe Store is the oldest established in Miramichi. It is now ffteen years since we commenced business exclusively in the above line, and we can now point with pleasure, to hosts of patrons, who have invariably, purchased from us, during that length of time. The reason is plain. We buy entirely from the best manufacturers, consequently our goods give satisfaction. We might purchase cheap, shoddy goods (that are only meant to sell and not to wear) but by pursuing that policy, it would be impossible to retain our customers. The best goods are the cheapest in the end.

We have full lines of

Infant's, Children's Misses', Youth's, Boy's Women's and Men's Boots Shoes, Slippers, etc.,

at the lowest possible price compatible with good quality.

Also a large assortment of

Trunks, Valises, and Hand Bags, Sole Leather and Shoe Findings.

Seven years ago we opened our FURNITURE EMPORIUM, and have witnessed a steadily increasing business. We keep in stock all varieties of BEDROOM, KITCHEN AND PARLOR FURNITURE, LOUNGES, SOFAS, HALL STANDS, WHATNOTS, WARDROBES, BOUQUET TABLES, SIDEBOARDS, EXTENSION TABLES, SPRING BEDS, IRON BEADSTEADS, STRETCHERS, ETC.

Mattrasses, Bolsters and Pillows of all kinds, Mirror Plates, Excelsior Etc. -JUST ARRIVED .-

Respectfully yours,

W. E. BESSEY, M.D

bill. I say it is plain and clear, both from this gerat question in which it is a party;

ver Hall Square what the hon. gentleman has himself pro- is dealing with the matter in a sense in posed, from his own mode of dealing with | which it is bound to consider and will the six new seats, from the considerations | consider what its effect will be upon its I have briefly stated as to the true mode own chances of the next election, we are of dealing with those seats, from an in- called upon, I say, to enter upon and spection of the census returns and the complete the discussion of this question in map of Ontario, that the basis which the | a few days and before the country has had hon. gentleman lays down for these wide- a proper time for its consideration; before spread changes is a basis too narrow it has been possible for the members of altogether, and that these changes are not this House even to apprehend by that required by the discharge of the duty he communication with constituencies with was called upon to discharge, but are the freeness, and with persons in all parts of

the political map of Ontario in a manner and the feelings of the people are, and which he thinks will be advantageous to what the results of the measure may be. Dealing with some moral aspects of party and of the Parliament of the counthe case Mr. Blake went on to say :- | hand we know that for months the Gov-The operation in which we are engaged, ernment of the day has been concecting, which, as I have said, is nothing less than in secret, this scheme with the assistance wholesale change of the electoral bounds of Tory members, with the assistance of of the Province of Ontario, is in its char- Tory candidates, with the assistance of acter a most difficult one. There can be | Tory manipulators, with the assistance of no doubt of that; it is one in which, if | Tory political agents, with the assistance

you abandon the principle we have been of all those whom they could gather round hitherto agreed upon, the principle of them to discover what sort of measure county representation, we are wholly at (Continued on second page.)

right on the part of the majority in Parliament or out of Parliament to pass laws moral sanction for real legislation, and you deprive the legislation propounded objects of those sanctions upon which legislation ought to depend for its being which ought to rest upon the conviction that the aim and object has been, however tempt professedly to apply to the Province

Now, Sir, first af all, dealing with the object of this Bill is to deal with certain necessities arising out of the British North America Act, and arising out of the determination of the Administration to consolidate the old county of Lincoln, and the old county of Cornwall by uniting the borough of Niagara to Lincoln, and uniting the borough of Cornwall with the county of Stormont. I say the preamble of this Bill states as the measure of necessity,

> mon interest, and the circumstances and working of our municipal constitutions; to be sacrificed, I say, in the Province of Ontario, in which the municipal system has been more highly developed, and has

length the proposed changes in the electoral divisions, and showed that

largest number of persons represented by change in results. What follows? It "Double Iodides," and of only one member at the time of making follows, of course, that a change in the none that can be more highly recommended as operation as that, or an operation any very largely of closely balanced constisate, certain and reliable, thing like it or proposals made by the and I have every confidence that such a remedy for general use, taking the place of the many worthless nosafter he had dealt with those which he | these circumstances it is that we are callgreat boon to suffering huhas disposed of after the fashion to which ed upon to decide this great question, manity, and its use will be attended with the most satupon the map of Ontario. They demand- I have referred, involving so many comed no such wholesale reconstruction, no plicated details to which it will be my such wholesale change, no such sweeping | duty to allude. This great question, in of townships to other ridings than those which, as I have pointed ont, the Govto which they at present belong; no such ernment is acting not merely as the procutting and carving of the constituencies | moter of public legislation, but also as the

One of the most disgraceful measures Editor "Miramichi Advance," Chatham N. B. sea. It is one which under any circum s the Act providing for the redistribustances, even retaining that safeguard, tion of Parliamentary seats in the requires the exhibition on the part of Dominion. We referred to it a few some of the great tests which exist for the weeks ago and now, in order that our readers may understand it thoroughly capacity of a people for self-government under our system; it is one which requires in the minds of those who are to exercise

while the opposition had challenged it designed to do injustice. The only moral no attempt was made by the First Min- | sanction for all laws is justice and fair ister or the Government to vindicate play to all sections of the community, and when you depart from these principles or the justice of their measure. There the aims and objects you have in legislawas even no attempt made to answer tion, you depart I say from the only the attack upon that clause which sweeps away the security for fair deal- and brought forward with these aims and ing between Government and opposition, long unsuccessfully fought for by respected and enforced, and you deprive the Liberal party, but which they it of the right to the respect of the people, placed in the statute book when they got into power: the clause which pre- tar short we have fallen of it, to do jusscribes men of local rank, local station, tice, and that justice has been attained-I and character for returning officers; say you will find in this measure an atthese from their position and standing of Ontario a principle not heretofore in the community might be expected to applied to that Province in this sense, act in a judicial manner. In return except very slightly, and this slight appli-Toronto, Ont., Canada the choice of returning officers is left hon. gentleman himself ten years ago, unrestrainedly to the Government of thus repudiating his own handiwork. He the day, who, of course, may be expect-

ple was so false that it was not to be repeated again, and those observations were re echoed from the other side of the House. and so it then became the unanimous sense of Parliament that a departure from that principle was not to be commended and that from that time out, in this particular, was to be legislated for as the other Provinces were legislated for. I say you find it to-day asserted by the hon. gentle-man, though before I sit down I think I shall be able to prove that the application of that principle is a hollow and unfounded pretence, you find it, I say, asserted that the prominent and predominating features as applied to Ontario only-mark you, as applied to Ontario-is equality of as the groundwork of these changes which are to be made by it in the Province of numbers in the persons who are to send a Ontario, these two things and these two member from each county or district, and alone. You find in the preamble of this that equality of numbers which he says Bill no statement that it is necessary and expedient to provide a greater equality

the House of Commons." Then omitting the reference to Manitoba "by reason thereof," that is to say by reason of the right of Ontario to four additional members, by reason thereof, and of the intended union of the electoral district of Niagara

determination to unite the old county of submit to the same men and the same set Lincoln, all the parts of it into one, and of tribunals throughout the community, the uniting of all the parts of Stormont you go before them and you say: Five into one, which is necessary to readjust years ago you entrusted me with power to the representation of Ontario; and it is on act as your representative. Such and that narrow foundation, that narrow such things have I done. I bring them basis, that the hon. gentleman proposes to before you as the fruits of my labours in justify the revolutionary measure and the readjustment of the whole political map you who sent me to act—whether I am of the Province of Ontario which is con- deserving of your continued confidence or tained in the clauses of this bill. Now, no. But this is a measure, sir, which Sir, we stated on the occasion to which I proposes to alter the jury, to alter the have referred, 10 years ago, the general tribunal, provide for a different set of principle which, according to our mind, jurors, to try those which are to come ought to be adopted in giving new seats before them very shortly for trial upon to a Province entitled to them by reason the events of the last four or five years. of an increase of its population; and that No longer are we to appeal to the same general principle, not bounded, however, set of men before whom we fought the by any hard and fast laws, as we stated battle four years ago. No longer are we it, was that the new seats should, as a to say to them: You returned me by rule, be given to the population to which new seats were due. It is fit and proper that some regard should be paid to this and I appeal to you on the one hand increase, and to the use of the power to continue your confidence, and on the given to the Parliament of having addi-tional seats to bestow to remedy, so far as of confidence on the issues which have practicable, the most gross and glaring been raised during those four or five inequalities at that time existing in the representation. Adopting that principle different set of jurors, to whom the hon. which I advocated ten years ago, I agreed gentlemen are afraid to appeal. Now, then, as I agree to-day, that the principle sir, the operation is most delicate from which the hon. gentleman has wholly | in all in this. Though the Province departed, that electoral representation was not a mere geographical term, and that it was of the last importance for might not say beyond any country various reasons, for various most cogent possessing representative institutions, in a reasons, that the municipal county bound very marked and extraordinary degree ary should be respected, and that electoral is composed of constituencies, very closely districts should not be carved out of balanced, constituencies in which the various portions of different counties, for the purpose of and in search of a fancied strength or the weakness of either party equality, not attainable accurately, not is a narrow and limited one, and thereattained even approximately either by the fore, a strong popular impulse or a Act of 1872 or by the measure now before good cause may change very markedly the ENLARGEMENT tures called Blood Purifiers us. Now, sir, the duty which devolved representation in this House, although offered by Druggists and upon the hon. gentleman, assuming the with a comparatively slight change in the consolidation of Lincoln and Stormont, gross numbers of those who poll on the and thus that six seats had to be disposed | two occasions which are being contrasted
