FURNITURE EMPORIUM

The Golden Ball Boot and Shoe Store is the oldest established in Miramichi. It is now ffteen years since we commenced business exclusively in the above line, and we can now point with pleasure, to hosts of patrons, who have invariably, purchased from us, during that length of time. The reason is plain. We buy entirely from the best manufacturers, consequently our goods give satisfaction. We might purchase cheap, shoddy goods (that are only meant to sell and not to wear) but by pursuing that policy, it would be impossible to retain our customers. The best goods are the cheapest in the end.

We have full lines of

Infant's, Children's Misses', Youth's, Boy's Women's and Men's Boots Shoes, Slippers. etc.,

To the Editor of the Miramichi Advance. DEAR SIR :- In the World of May 25th there was a letter from a non-resident of this Parish, who has undertaken the task of being the Hardwicke correspondent of | right to be appointed Fishery Overseer, that paper. This correspondent writes | Light Keeper or to any other Government generally over the signature of "Squib." malice against your Hardwicke correspondent is plainly visible. Every reader of the World in this Parish is aware who " Squib" is. The gentleman who gives "Squib" the items of news he sometimes gets from this Parish told your Hardwicke correspondent who "Squib" was. 'Squib" knows that he could not get one Hardwicke elector to write about the ADVANCE correspondent as "Squib" has done. I say without boasting that the Hardwicke correspondent of the ADVANCE was offered--not more than one month ago-by a leading Conservative of this Parish, a position that would not interfere with any other work and that would give him one hundred and sixty dollars a year if he would be the correspondent of the World, but I would have to write in favour of the Conservative party. I certainly declined with thanks, so Mr. "Squib" can see that I have been offered something more than a Fishery Overseer's position. "Squib" seems to think that every one is like himself, hence his insulting and uncalled-for remarks about me. But it is nothing more than I might expect from the same "Squib" who has written of me in a cowardly and ungentlemanly manner in the columns of the Gleaner and the Star, and now begins the same stabbing in the dark process in the columns of the World. The ADVANCE correspondent has, until now, treated him as he deserves to be treated-with silent contempt. He ought to be careful how he writes of others, as there could be things written about him that would make | Peter Mitchell says about that, as Mr. him hide his face with shame. I am not | Mitchell was then Minister of Marine and the paid correspondent of the ADVANCE, as | had him appointed to the position and it I am only too happy to be able to do any- was under his Administration that he thing that I can to make a paper that has vacated the position. Mr. Mitchell's always been found battling for the poor man's rights in Northumberland, popular, and to give to its readers outside of the Parish the truthful news. I do not make a mountain out of a mole hill, as "Squib"

is so fond of doing, in his capacity as a correspondent. Does "Squib" value his political principles over \$160.00 per year? I know he does not need it as much as I do. The ADVANCE correspondent has his own views of political matters and ex presses them in as plain a manner as pos. and truth, but if he sometimes treads on "Squib's" corns, though with as light a tread as possible, "Squib" ought to take it in good part and return the compliment in the same manner, instead of trying to make the public believe his letters are written from Ray du Vin, when they

are written in Chatham. An "Occasional" correspondent, in a late number of the Advance, mentioned a rumor that was current in Hardwicke the greater part of the past winter that the Hardwicke Fishery Overseer was going to resign his office and mentioned the name of his probable successor. This aroused "Squib's" anger against the Advance correspondent and nothing that he can write of him is now bad enough. The Advance correspondent would regret—as every other fishermen would do-the retirement of the

present Fishery Overseer. "Squib" shows his ignorance of matters in this Parish when he says that one of the applicants for the Bay du Vin Light mentioned by the "Occasional" correspondent is a non-resident. These are Messrs. Cameron, Hallman, Noble and McLeod. Which of these is the non-resident? ] have made enquiries and find they are John Cameron, (the "Occasional" only Hallman and Donald McLeod, Come dent? Prove your veracity. Two more, hope. If "Squib" means by this that they they voted for the Hon. Peter Mitchell at the last election, as "Squib" knows also. Another of the applicants, "Squib" says, is not robust enough for the position. Why then did the same "Squib" mention his name in the World in the early part of the Spring as the one most likely to get it. He is as robust now as he was then and more so. How is it that this same "Squib" has promised Mr. McLeod, the gentleman he thinks is not robust enough to keep the light, to use his (Squib's) influence to get this light for him? He has also promised the non-resident the same, and in his case, he is doing the little he can for the non-resident. It is said down in Hardwicke, and this ru mour is correct, that the reason "Squib" is helping the non-resident is, that it will affect his pocket in a manner that "Squib" delights in, if the non-resident gets the appointment. Be a man, "Squib" and do not try and make Mr. McLeod believe you are working for him when you are doing your little best for the non-resident. "Squib" says that the non-resident has done business in full view of Bay du Vin kenzie, Chatham. for 30 years. What if he has? Does that give him a right to get this appointment I think not! The Oak Point people live in full view of part of the Parish of Hardwicke, but I have never heard as yet that they claim, on account of this, to be residents of Hardwicke. Point Aux Car is visible from, and the waters of Bay du

Vin Bay wash the shores of the Point but

because the non-resident lived there at

one time of his life, I do not see how this

ought to constitute a claim to this ap-

pointment, to the throwing aside of worthy

residents of Hardwicke. New Bruns-

wick is visible from Prince Edward Island,

but that does not make the Islanders

New Brunswickers, nor does it make them

residents of this Province, or place

them in a position to be appointed

The "MIRAMICHI ADVANCE" having its large circution distributed principally in the Counties of Kent, Northumberland, Gloucester and Restigouche (New grunswick), and in Bonaventure and Gaspe (Que-Our Hardwicke Correspondent and c), among communities engaged in Lumbering, Fishing and Agricultural pursuits, offers superior 'Squib.' inducements to advertisers. Another argument that "Squib" advances to show why the non-resident should get this appointment is that he (the non-resident applicant) placed the first light some 300 feet above the level of the sea in our Gulf. I do not see why that should give him the right to be appointed to the Bay du Vin Island Light. Why did not he hold on to the position of Light. keeper of the Bird Rock Light? "Squib" will please tell the public through the columns of the World what the Hon. version of the matter would bring the light on this subject considerably below the level of three hundred feet. "Squib" is a firm believer in the doc-

trine of non-resident appointments in this Parish. He has had one of our light keepers appointed who is a non-resident, he feels interested in favour of a non-resident being appointed Fishery Overseer if the present Overseer retires, and he now writes in favour of a non-resident being appointed to the Bay du Vin Island lights. sible, having regard always to decency | Conservatives in this parish are all against the manner in which the Conservative Party have made appointments to the Government offices here. I am sorry, Mr. Editor, that I have taken up so much of your valuable space in answering "Squib." but it was a duty I owed to myself and the hard working electors of Hardwicke to protest against them being passed over, and non-residents given places that ought to be filled by the residents of the parish. If "Squib" had not written of me as he did in the World of May 25, I would not refer at all to this question, as your "Occasional correspondent" said all that was necessary about it, and told exactly the feeling of the residents of this Parish on the non-resident question. It you will publish this Mr. Editor I can promise you that I will not trouble you for awhile nor mind the ravings of "Squib," but treat him in future as I have in the past, with silence. At the same time I will watch the political moves that are made down here and keep the ADVANCE posted.
