SPRING TRADE :- Messrs. Clarke, Kerr Thorne, of St. John, advertise enlargement of premises and other facilities to meet their increasing wholesale business. We are glad to learn that this enterprising firm is more than holding its own against outside competition.

THE RINK .- Owing to the soft weather which prevailed during the latter part of last week the Chatham Rink was not opened for skating, as advertised. On Monday, however, the opening took place and a large number of our people are enjoying the privileges secured to them by the enterprising committee having the arrangements in charge. A Carnival is announced for next Tuesday evening.

THE "MIRAMICHI ADVANCE" OFFICE is now being much enlarged and improved and, next week, will occupy the whole of the building which has, heretofore, been shared by it with the Miramichi Bookstore. The entrance is from the street (formerly the Bookstore entrance) and the editor will, hereafter, attend at the office personally. His office hours are from 8

NEW FIRM.—We are very much pleased to observe the notice of copartnership entered into between Isaac Harris, Esq., and his eldest son, Aaron. Mr. Harris, sr. is well known all over the Province as a business man of energy and unquestioned integrity. Mr. Harris, jr., who has been trained in his father's business, promises to do credit to the record of the latter. We hear with regret that Mr. Harris, sr. is looking to the west as a field for busi. dence. Should he go, however, we hope he will leave the junior member of the firm still in Chatham.

KEEP TO THE RIGHT :- A St. John city by law provides how people should pass each other on the street, the rule being simply to keep to the right. The by-law reads as follows :-

Every person in meeting and passing crowded with passengers, the persons going along shall go to the right of the middle of the sidewalk. Any person wilfully offending against this provision, whereby any disturbance or confusion is four dollars for every breach of this sec-

If the above rule were adopted in places smaller than St. John it would obviate a good deal of annoyance to many persons.

Isaac Harris, Esq., started for Winnipeg

Hon. John McMillan, Post Office Inspector, is visiting the Miramichi officially. Mr. P. A. Noonan has returned home from Boston, where he has been doing business during the winter.

Mr. McGaffigan, the tea importer, is in town.

Mr. Geo. A. Turner, who has been on the ADVANCE staff for five years, is to leave Chatham this week for California in search of a climate better suited to his health and where he may find "fairer fields and pastures new' in a business sense. We have known him for a good many years and esteem him for his many stirling qualities. He is a man of integrity and has ever he may go.
