PRUDENCE (Continued.)

Fielding awoke the next morning with a defined consciousness that the day was to mean something for him. He had spent the evening previous in Guildford Street, and while Prudence was absent a few moments from the room, Mrs. Crane had discoursed brilliantly upon their social position. She had been writing a great many letters home. To her own family she had suggested the possibility of Prudence's " wearing a title."

to the aristocracy."

Mrs. Crane was momentarily confused; but then such perplexities with her always wore the air of an effort to be strictly lenient in her judgment of her companion.

dence marries here, I prefer it should | bind her to any engagement until she out of the question. "She won't admit be the best. I think Mr. Simmonson will speak very soon to her. In fact, ed me already."

Jonas had found no words to answer this, and just then Prudence returned, did seem to me impressive, or perhaps Simmonson, who looked ineffably wearing, with an air of brilliant coquet- it urged on my own thought, but it is dreamy and willowy leaned against the ry, a new gown, which she called upon all right now. My doubts are gone," velvet bench, was conscious of a very Jonas to admire. She had had it made he said, with the smile Helena had matter-of fact, reasonable moment. for the Grosvenor private view.

Miss Armory between them.

Jonas felt a sudden thrill of disgust. to the vulgar, gaping admiration of a "Marlitt? Oh!" said Jonas, skim- the direction of Simmonson's waving Farm consists of about 300 acres, a large portion is crowd. But the gown, he admitted, ming the past, as it were, with the fingers, she added, "oh, don't—please was charming. It was a serge of a lightness of one who sees an old error don't show me those horrid things over curious shade of red, warm in tone, and of judgment vanishing. "He wished there. Those pictures all look so yet sombre; the sleeves were puffed, Prudence to be admired in a more gen- hungry. I wish so I could give all the but altogether it had a touch of almost eral way, to see the world a little. My poor peop'e, Mr. Burne, Jones and. Puritanical simplicity about it. The life is to be an active one in Boston, but those gentlemen paint a good dinner. | purchaser wishes. rich curves of the girl's figure showed a hard one in many ways. I am not They want beef tea.... Now Mr. Simto perfection in it, and Jonas thought rich, and my wife must share the sim- monson says that is the highest expreshe had never seen her face lovelier than it looked above the lustrous red and calling. Prudence, Mariltt said, ought Prudence's cheerful little appeals to the narrow frill of lace. With this gown was to be worn a bonnet with plumes, and short wide strings of satin the color of her gown. Prudence arranged herself gleefully, and was pleased by Jonas's approbation. When he was leaving she followed him out did not know I was not suppose of the narrow frill of lace. With this to see the other side; and she has seen it," he said, joyously. Even Marlitt and some struck Simmonson as the most amusing sort of self-defence; the three young people were so utterly as under in thought and feeling at the moment that it was impossible to harmonize a single pulsation by the aid of art. Dimber was leaving she followed him out did not know I was not save at least the last the said, ought to see the other side; and she has seen it," he said, joyously. Even Marlitt amusing sort of self-defence; the three young people were so utterly as under in thought and feeling at the moment that it was impossible to harmonize a single pulsation by the aid of art. Dimber was leaving she followed him out the said, joyously. Even Marlitt and she has seen it, "he said, joyously. Even Marlitt amusing sort of self-defence; the three young people were so utterly as under in thought and feeling at the moment one thought, the one purpose of my life, apart from my actual duties. I he was leaving, she followed him out into the hall, Mrs. Crane being absorbed by some important letters received ed by some important letters received ending toward this result. Life will single phisation by the all of art. Difficulties into the hall, Mrs. Crane being absorbed tending toward this result. Life will intellect sufficiently piercing, to know by the last post.

her hand out for a gentle, affectionate Let me do that for you." good-by.

them at the gallery. Accordingly, about three o'clock, he started for Bond Street through the fog, thinking much happy light in his eyes. We know—

The should fire should fire should fire special with a dence.

"I can't make out what Mr. Simmonson means," she said, finally. "He entrance to the Grosvenor. English morrow, Miss Armory." "private views" were completely unfamiliar to him, and the presence of aristocracy, fashion, art, and science looked at her, conscious of the influence said. "Too much for me to paint. rather bewildered him. He was conscious, as he went toward the staircase, of Mrs. Poynsett's tired, friendly smile; of Hergliebe's dark head and broad shoulders; of the agreeable Lady Ericson, to whom Miss Armory had introduced him; and, indeed, of nearly all the faces he had known in London the past five weeks. Then he found him. past five weeks. Then he found himself following some ladies in curious garments up the staircases and into the group of rooms. There, for a moment, all seemed confusion. The walls were assuredly richly hung, but Fielding's assuredly richly hung, but Fielding's assured to a second eyes took in only a sense of many colors. spoke for an instant, and then she said, write a few lines to Prudence which The moving figures were as diverse and as peculiar as if half a dozen centuries had contributed to the fashions of one had contributed

Fielding's eye caught sight of her figure speedily. She was curiously dressed, and the young man looked a moment at withdrew while she was talking to will give me an hour of your time—

The tribute stocked pleased.

"I want you to promise," she said, rushing into the subject, "that you will give me an hour of your time—

First of Augu her gown of dull-colored velvet with young Grierson, and making his way some day before you leav. London. trimmings of rich brown fur, the large into the next room, he looked about "An hour?" said Jonas, with Lawyer for immediate collection. bonnet of felt, in color like her gown, for Prudence. which framed her face luxuriantly, if | As Helena had said, the girl had her | time possible adding a new softness to her little court, and she was unquestionably She looked at him critically.
