There was an agency of Molson's Bank at Campbellton not long since, but it withdrew for some reason and we are glad to learn that our business friends up there have been able to secure so good a successor to it as the Bank of Nova Scotia's agency will undoubtedly be.

A "CLIPPER."-A very pretty little sailing yacht has just been completed at Mr.'Richard Blake's shop, Chatham, for John C. Miller, Esq. She is of 23 ft. keel and 25 ft. 6 in. over all; and 7 ft. 2 in. beam. The fore-deck is continued around the sides at a width of about 6 or 8 inches forming wash-boards, and the sides rising from the seats around the interior project upward above these so as to keep out the water when carrying heavy sail. There is good sleeping accommodation forward for two or three persons. The model gives promise of good speed. FREDERICTON FIRE BUGS have been Intosh again at work. GENEVA AWARD .- The attention of those interested is directed to the card of J. F. Manning, attorney and counsellorat-law, with offices in Boston, New York and Washington, who offers his services for the preparation, proof and trial of cases in the Court of Alabama Claims in Washington, D. C. Mr. Manning's extended experience in the former Court, and his thorough familiarity with the whole subject, carcely fail to be of great advan-tage to his clients. Mr. Manning has just issued in pamphlet form an "Epitome of the Geneva Award Contest in the Con. gress of the United States," giving several of his arguments before the Judiciary Committee of the Senate and House of Representatives of the United States, and much other interesting matter bearing on the same subject-Boston Advertiser.
