It was doubtful whether such

The bill was read a first time. pleted her light-house system and would He had made a beginning by placing one better information of the House, the case Mr. Weldon, seconded by Mr. C. Burand election. He admitted that the general rule was plain, that a returning officer should return the member having a majority of votes. There was a question several secret cauduses lately. They ancial functions, and the current of legislanounced that they were for the purpose of tion had gone to limit them in that respect. discussing the question of the duty on But suppose a woman, or an alien, or a Canadian grown tobacco, but it has leaked felor received the majority vote, must out that the real object of the meeting such a person be returned elected? (Opwas to discuss the expediency of French position cries of "Oh.") He moved to Canadian members as a body claiming inrefer the case to the election committee.

It is said that Nova Scotia will make a elections, in support of that view. claim on the Dominion Government similar to that which has just been granted to Mr. Davies opposed the motion. He said it would be establishing a precedencontrary to those before cited by Mr. Cam eron, nine in number, in which the prac-Senator Howlan, who entered into a history of the whole question but threw no new light on the subject. He gave it as his opinion that a new screw boat should be put on the summer route and that a small handy steamer should be placed on the Capes route. The winter service between Pictou and Georgetown could not power in defiance of the expressed wish of be improved until a steamer of lighter draft was placed on the route. The next to show that while a returning officer witness examined was Capt. McElhinny, of the Marine and Fisheries Department, doubtful legality' he must return a mem-

late mate of "Northern Light." He said ber who received the majority vote. that vessel had done very good work and who claimed the seat, was on the 27th of was capable of doing more. Her mode' was an excellent one for a steamer design. May returned to the Local Assembly of ed to pass through floating ice; but if a Prince Edward Island. The local law new boat was built she should have some | was such that he could not resign under arrangement for trimming her in such a twenty-one days. The nomination for manner that she could break down harbor | Parliament on the 13th of June was withice. He considered the best point in the in that limit, and Sheriff McCormick had mainland for crossing to in winter was official knowledge of Mr. Robertson's Cape George. A new boat for the winter | local election, having returned him to that

route should not be much larger than the House. Mr. Blake said if Mr. Robertson had 'Northern Light" or she could not be handled advantage usly. He was of not legally resigned, how was it that his opinion that dynamite could be used with local seat became vacant, a writ issued, and another local member returned in his stead, to whose vote the Local Govern-March 7. - In the Commons to day, Mr. | ment of the Island owed its existence ?-Wells introduced a bill to facilitate the As to women being returned, that was a naturalization of aliens, authorizing deputy | delicate question. (Laughter.) As to returning officers to administer the oath of felons-felons had been returned to the allegiance where objection is taken to a English Parliament in the case of Mitchell and Rossa, nor was the returning officer Mr. Blake, in moving for the corres- censured for returning them. He was repondence of the inhabitants of Prince Al- quired by law to do so when they had a bert with the Government, took strong | majority vote. Proceeding, he severally ground against delay in settling their arraigned Sir John for having so changed claims, and the unfair action of the Gov. | the law as to make returning officers, the appointees of a party, judge between both Sir John Macdonald defended the de- parties. Beautiful judges they would be. He pointed out that the committee on privileges and elections was two-thirds Mr. Cameron (Huron), on moving for Tory, and urged that the House should at wither returns concerning the Charybdis once redress the wrong which the returnmade a strong speech, condemning the ac eptance of the vessel. He showed that

ing officer had done. Mr. Blake spoke with great force and was warmly cheered. Sir John replied with great vehemence, rallying his followers to resent what he The other proceedings were merely for- called an unfair attack on him by Mr. Blake. He declared that the election committee fairly represented the strength of both parties in the House, as was the case under the late Government. He said a story was current that Mr. Blake had feigned illness when Mr. Anglin's case was before the House, "in order to save Timothy," but shortly afterwards turned

This statement, angrily made, roused great commotion, and cries of "No, no," 'Slander," etc., came from the Opposition Royal, Baker and the mover. There is Mr. Blake sprang up and declared that

up strong and vigorous.

At this stage the House was considerably excited. Mr. Blake went on to denounce the system of partisan neturning officers

Blake's feigned illness was made on authority of Mr. Blake's own friends. Cries of "no, slander," etc. Mr. McCarthy followed in a labored

Mr. Weldon followed, ably exposing the fallacy of Mr. McCarthy's speech He pointed out that McCarthy had avoided all reference to our election law, the terms of which were so plain that he who runs may read, and had also evaded all the Canadian precedents before cited, expert, and another to hold office on the taking refuge in sophistries, This was the same tenure as the judges. Its province first case of gross dereliction of duty in a returning officer which had come before Parliament, and Parliament should mark its reprobation of it and do justice in the bill was discussed by Messrs. McCarthy, premises. If the returning officer had Tupper, Cameron, Mitchell and others, judicial functions they ceased when once a candidate was nominated. If the Sheriff knew Mr. Robertson was not eligible, why did he receive his nomination? He Tilley said he hoped to bring down the said it appeared that the returning officer

had acted on heresay evidence of the After a month in session, the Govern-

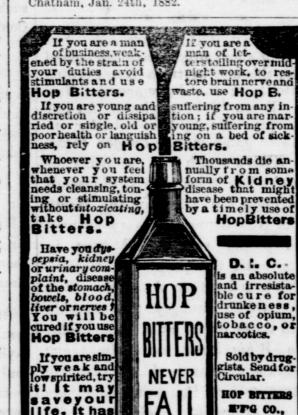

were those of the officers of the Grand The advantage of the conflict rested, Orange Lodge of Ontario; of William decidedly, with the Opposition. Messrs. Wilson, grand master, and others of New Davies, Blake and Weldon made clear, Brunswick; James Bennett, grand master, forcible speeches and the ministerial party Joseph Wise, grand master of Prince evidently felt their position untenable. March 10.-Mr. Weldon introduced a bill to amend the act repealing the Stamp Act. He explained it was to make valid notes which were made when the Stamp Act was in force and not sufficiently notes required now to be double stamped and if so it was difficult to obtain stamps.

Sir John resumed the debate on the Kings, P. E. I. elections. He made a moderate speech, arguing that, for the should go to the committe on privileges whether returning officers had any judiand read an extract from Cunningham on

tice of Parliament had always been consistent. It would be contrary to law, which required that the member having the mat jority should be returned. He pointed that if one member could be returned by the returning officers, ten or twenty might be, and a Government really defeat ed at the polls might thus be kept in the people. He cited English precedents might refuse to receive a nomination of Mr. Brecken said that Mr. Robertson.
