"How many points-ten?" Yolande had so effectively hurried up everything inside the lodge that when the gentlemen appeared for dinner it "For I can give you a panacea for was they who were late and not the an assumed air of indifference. "Yes. all such wounds, or rather an absolute dinner. And of course she was greatly delighted also, and all the story of the capture of the stag had to be told over again, to the minutest points. And "Oh yes," he said, in that carelessly again there was a fierce discussion as to indifferent way of his. "When you who should have the head and horns,

> "What is that, now?" said John Shortlands. "That," said Yolande complacentlyfor she had got to know something of

wild skirl outside in the dark.

"That is the Pibroch of Donald Black opponents are—are—"
"Ames de boue!" said Yolande, ishly. "What the mischief have I to Pibroch of John Shortlands. What is the use of killing a stag if you have to have somebody else's pibroch played?

for it "

Indeed, as it turned out, there was so much joy diffused throughout this household by the slaying of the stag that Jack Melville, communing with himself, decided that his ill news might keep. He would take some other opportunity of telling Shortlands the result of his mission. Why destroy his very obvious satisfaction? It was a new experience for him; he had never shot a stag before. The cup of his happiness was full to the brim, and nobody grudged it him, for he was a sound-

"Ah, a prize?" said she, with a When they drew near the lodge, how- however out of this stag episode. In read the advertisement and concluded to test the suddenly said "Papa, ought I to send a haunch of

venison to Lynn Towers? It seems so Should I send a haunch of venison to Her father seemed somewhat disturb-

"No, no, Yolande : it would seem absurd to send a haunch of venison to a man who has a deer forest of his "But it is let."

"Yes, I know; but no doubt the tenant will send in a haunch to the Towers if theae is any occasion." "But I know he does not, for Archie said so, Mr. Melville," she said shifting the ground of her appeal, "would it not be a nice compliment to pay to a neighbor? Is it not customary!" His eyes had been fixed on the table:

he did not raise them. "I-I don't think I would," said he, with some little embarassment. "You! don't know what fancies old people might take. And you will want the venison for yourselves. Besides, Mr. Shortlands shot the stag ; you should figures standing on the further side of let him have a haunch to send to his

"Oh, yes, yes, certainly," she cried, clapping her hands. "Why did I not think of it? That will be much bet-At another time John Shortlands

might have protested, but something in Melville's manner struck him, and he did not contend that the haunch of venison should be sent to Lynn Towers. After dinner they went out into the dark, and, guided by the sound of the good one. Now how could that have pipes, made their way to the spacious every deep-seated pain or to remove any bony coach-house, which they found had been cleared out, and in which they any lameness and all enlargements of the joints found two of the gillies and two of the or limbs, or for rheumatism in man or for any shepherds—great, huge, red-bearded, brawny men—dancing a four-some lamps, as well as a few candles; there was a small keg of whiskey in a dim structions about the formation of a thing should be in readiness for the Highland girls might just as well come over from the lodge (the English Jane versation she managed very plainly to Melville was left outside, and as he was of no use), and very soon the dancintimate to him that she would not regarded now the gillie leading the ing party was made much more picturhave permitted him to take so much trouble had this new persuit of hers pony, and now the party of people who were visible coming over the hillock, it Lynn, with the torchlight dance he had been a mere holiday amusement. Kendall's Spavin Cure. it is certain in its effects and does not blister

B, J. KENDALL & Co., - Gents: - This is to certify that I bave used Kendall's Spavin Cure and have found if to be all it is recommended to be and in fact more too; I have removed by using the above Callous, Bone Spavins, Ring-bones, Splints, and can cheerfully testify and recommend it to be the best thing for any bony substance I have ever used and I have tried many as I have made that

KENDALL'S SPAVIN CURE, NEW HAMBURG, ONT., Dec. 28th, 1881. If ever I rent a deer forest in the High-lands, I will have my own pibroch made for me, if I pay twenty pounds for it "

NEW HAMBURG, ONT., Dec. 28th, 1881,

MR. F. H. McCallum, Dear Sir:—The bottle of
Dr. Kendall's Spavin Cure, bought of you last
summer, gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen
years old, belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.

From the Oneonta Press, N. Y. ONEONTA, NEW YORK, Jan. 6th, 1881. Early last summer Messrs. B. J, Kendall & Co., of Enosburg Falls, Vt., made a contract with the publishers of the *Press* for a half column advertise. Dr. Kendall's Treatise on the Horse and his Diseases, which we are giving to advance paying rudged it him, for he was a sound-nearted sort of man.

One rather awkward incident arose,

One rather awkward incident arose,

Kendall's Spavin Cure and commenced using it on the horse in accordance with the directions, and he informed us this week that it effected such a complete cure that an expert horseman, who exstrange to have neighbors, and not any compliment one way or the other. Mr. Schermerhorn has since secured a copy of Kendall's Treatise on the Horse and his Diseases. which he prizes very highly and would be loth to part with at any price, provided he could not obtain another copy. So much for advertising

COL. L. T. FOSTER.

Youngstown, Ohio, May 10th, 1880. Dr. B. J. Kendall, & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one join and a small one on the other which made him very lame; I had; him under the charge of two reterinary surgeons who failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and If any of these symptoms are noticed, or the prethe lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is I let two of my neighbors
bottles who are now using it.
Very Respectfully,
L. T. FOSTER. entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two
