NEW BOAT.—A very neat little boat has just been finished by Thomas Thompson, some say intended for the Miramichi Regatta. He is the builder of another little vessel which has proved itself to be quite speedy, named "White Wings."—Times.

DEAL CHARTERS.—Messrs. Chas. MacLachlan & Son have chartered the ship "Nettie Murphy," 1,375 tons, now due at Sydney, to load at Miramichi for Cork, Dublin, Belfast, Barrow, Liverpool, Cardiff or Newport, direct port at 70s.—Globe.

NO. 9 DISTRICT.—C. M. Hutchison, Esq., late of St. Stephen High School, and formerly Principal of the Newcastle High School, has been engaged as Principal of the Schools in No. 9 District, Chatham, in place of Mr. Coyngrahame who has removed to Chicago.

PERSONAL.—J. L. Stewart, Esq., of the Chatham World, was in town yesterday on his way to Charlottetown, to attend the annual session of the Grand Lodge of the I. O. O. F. of the Lower Provinces of B. N. A. He was accompanied by Mrs. Stewart.—Moncton Times.

BIDMAY.—A man named Royal, who has been living at Nelson for some time, was arrested the other day, for bigamy, at the instance of his daughter, his lawful wife being in Boston, and he living here with a second "wife" which he took to himself a few years ago.

NEW WAREHOUSE.—We understand that Messrs. T. Wm. Bell & Co. propose to build a large warehouse in Newcastle for the storing of direct importations to Miramichi of wines and liquors. This will be a great accommodation for their large wholesale trade at the North.

MARINE EXAMINATIONS.—The following persons have passed successful examination before the Marine Board: Joseph T. Rogers, St. John, master; Wm. Ludman, Bridgewater, Esq., master; Thos. G. Russell, Chatham, mate; Michael Boyd, Shelburne, N. S., mate; Chas. H. Finch, England, mate.—Globe.

THE SAILING RACE in to-day's regatta will be started in the up river direction instead of down. The boats will sail up one mile and round a stake and then pass down river to the turning boat below Chatham, thus affording the spectators on the Regatta grounds a fine opportunity to witness the contest.

FROM ST. JOHN.—Mr. Elijah Ross, who was a member of the famed Paris Crew of St. John, being desirous of seeing the Miramichi and witnessing the Regatta, arrived at Newcastle yesterday with three other St. John oarsmen. They will compete in the four-oared race at the Regatta, to-day. We understand the four never rowed together before Saturday last.

STILL SUCCESSFUL.—Mr. William M. Tweedie, of Sackville, College, who, last summer, won the Gilchrist Scholarship, has been pursuing his studies in University College, London. At the close of his first year he has won the first prize in Latin and the prize in English Literature. It will be remembered that last summer he stood second among the whole number of matriculants at the London University.

GOING WEST.—An obliging correspondent informs us that Mr. Fred. Cameron of Newcastle, whose disappearance was alluded to in last week's ADVANCE, went as far North as Rivere du Loup with the writer on Tuesday morning of last week, and said he was going "out west." We understand Cameron's liabilities are considerable and that there is or has been some sharp work between creditors over the assets.

GRAND PICNIC AND BAZAAR.—The R. Catholics of Campbellton will open their Pic Nic at 8 o'clock on the morning of the 21st inst., followed in the evening and the following day by their annual Bazaar.

Excursion tickets at one first class fare will be issued from Chatham Junction and intermediate stations to Campbellton, good to return on the same day or the day following.

SEC. OF COMMITTEE. Campbellton, N. B., Aug. 4th, 1883.

THE WRECKED "MARCO POLO," which was bought the other day at Cavendish Cape, P. E. I., by Messrs. Lantulum, had a cargo of 600 standard Quebec pine deals and ends. Hull, (with masts and rigging alongside) and cargo, brought \$6,000. The total proceeds of the sale were about \$8,000. There was keen competition. Mr. McLeod, who was interested with Messrs. Lantulum in the purchase, is landing the deals at this port.

LOST IN THE WOODS.—Mr. John Kenna who is about 80 years of age, started from the residence of his son, Michael Kenna, north side of the Baribou river, on Thursday morning last, after breakfast, to look for the cows, and has not been seen or heard of since, at last accounts. Search has been made faithfully for the missing man, and his trail has been followed as far as the head of Baribou Church river. It is feared that he will never be found alive.

PERSONAL.—G. Ernest Fairweather, Esq., of St. John, was in town yesterday, inspecting the Benson Block of which he is the architect.

We regret to hear that Principal Palmer of the Chatham High School, is ill of fever at his residence in Queen's County.

T. M. DeBois, Esq., of St. John, paid a visit to the Miramichi last week, and his many friends here were delighted to see him.

Wm. Lawler, Esq., the popular ex-Warden of Northumberland and well known as a public contractor, spent a few days of the past week with his Miramichi friends.

Rev. Mr. Padfield, of Halifax, has been visiting Chatham during the past week as the guest of Rev. Mr. Forsyth, the Rector of the Parish. He assisted in the services

and preached at St. Mary's, on Sunday—morning and evening.

ANOTHER FATAL ACCIDENT ON THE I. C. R.—Another fatality has occurred on the I. C. R., but only a few facts of the sad event had been received at the time of going to press. It seems that a lad named Cook, of Woodville, had been sent out by his parents to chase a cow off the track. At the time a special train in charge of Conductor Evans came along, but the driver of the locomotive did not notice, until too late, that the boy was on the track. It was afterwards discovered that the engine had struck the lad, and on subsequent inquiry it was learned that the injuries proved fatal. It is said the accident occurred about midnight.—Moncton Transcript.

FATAL ACCIDENT.—On Monday, August 6th, ten men who were returning home from the Picnic held in Newcastle on the day, started with a trolley. One of the men, James Aharon, who lives two or three miles from town) was sitting in front, with his legs hanging over, and when only a short distance from town, his feet struck a plank lying on the sleepers, and he was thrown upon the track in front of the trolley, which passed over his body. The unfortunate man was conveyed to Mr. James Fagan's, and a messenger was dispatched for Dr. Fish, who pronounced the injuries internal. Aharon's sufferings were intense. He lingered until the morning of the following Sunday, when death came to his relief. The remains were interred on Sunday afternoon, the funeral being largely attended.—Advocate.

A RICHMOND despatch of Monday last to the St. John Globe says,— "The meeting held on Saturday evening to consider the advisability of inviting Sir Hector Langevin and party to visit Richmond was attended by upwards of several persons. It was resolved to appoint a committee to ascertain if Sir Hector and party would visit the shire town and in that event to prepare an address to be submitted to a meeting to be held this evening. The committee consists of Gordon Livingston, Caleb Richardson, John Brait, John C. Brown, Henry O'Leary, Dr. Landry and Robert Hutchison. Sir Hector will not visit Richmond. "Mr. Girouard, M. P., has been notified from Ottawa to name the collector for Richmond before the fifteenth instant, otherwise his recommendation will not be received after that date."

RAILWAY EXCURSION.—The railway employees at Moncton and Campbellton and between those points held their annual excursion on Saturday last. They came in two trains from Moncton, and one from Campbellton, numbering fully two thousand persons. They had dancing and other amusements on the beautiful "Hamill" field in rear of the Station, in which a large number participated; others enjoyed a trip on the river on board the "Anchor." The day was fine, and the enjoyable proceedings were made the more so by the excellent music of the Moncton Cornet Band, led by Prof. White. Messrs. Lester and trackmaster McLeod did good work in making the necessary preparations for the various amusements on the grounds. The excursionists were much pleased with the day spent so enjoyably on the Miramichi.—Advocate.

A SALMON AND AN EEL.—A very curious but possibly, for a wonder, strictly true fish story comes from the Miramichi. On Tuesday a fine salmon, weighing about six pounds, leaped about two feet out of the water and landed high and dry on the wharf where the men were working, but the most curious part of it is, that a large eel came out of the water and on to the wharf with it, but whether the salmon had hold of the eel, or the eel was clinging to the tail of the salmon, is not clear. Mr. John Keith was on the wharf at the time and took the salmon home and ate it yesterday morning for breakfast. He says it was in prime condition.—Windsor Mail.

The eel was, no doubt, a lamprey, the habit of which is to attach itself to salmon and other fishes for the purpose of sucking their blood, and the leap of the salmon, in the above-mentioned case, was, in all probability, made for the purpose of breaking the lamprey's hold.

Church Opening.—The Lower St. James Church was duly opened on Sunday afternoon last, with Divine service conducted by Rev. E. Wallace, of St. Andrew's, Chatham, and Rev. John Robertson of St. Stephen's, Black River. The attendance was very large and great interest was manifested throughout the service. The 100th Psalm being sung, Rev. Mr. Wallace read the 34th Chap. of 2nd Chronicles and preached an appropriate sermon from the 17th verse of the 22nd psalm. Rev. Mr. Robertson also addressed the congregation. The collection amounted to \$58.82. We are requested by the committee to return their sincere thanks to those who so liberally contributed to their funds on the occasion.

Change of Time.—"Where the people in the county make the great mistake, when on reading the ADVANCE, they imagine that it is Smith who is so abusive. It is not Smith at all. He is a decent enough fellow in his own way. Witnesses who have done for the Regatta every year and other matters of common public interest.—Chatham World.

The World having exhausted itself in vile abuse and slander of Mr. Smith ever since it was established, appears to have learned that its course in that respect has contributed in no small degree towards creating for it the public contempt in which it is held. It, therefore, changes its time somewhat, as it always indicates, no discredit to any man, nor can its praise be considered as benefiting to the character or standing of those who are so unfortunate as to receive it. When a man has so low as to need a certificate of character from the World he ought to go and hang or drown himself.

The Death of William Falconer.—At a meeting of Caledonia Division No. 1, at Douglassburg, held on Tuesday 7th inst., the following was unanimously adopted,— "Whereas it has pleased Almighty God to take to himself our worthy brother William Falconer. Resolved that a letter of sympathy be written to his parents, and also inserted in the local papers, and also take to himself our worthy brother William Falconer.

Resolved that a letter of sympathy be written to his parents, and also inserted in the local papers, and also take to himself our worthy brother William Falconer.

The following letter was prepared pursuant to the above,— Douglassburg, N. B., Aug. 1883.

To the Bereaved, DEAR FRIENDS,—We, the undersigned, in behalf of the members of Caledonia Division No. 1 of Temperance, would offer you our sympathy in this your great trouble. We know that little can be said to stay that sorrow of heart, as the heart knows only its own sorrow, yet we know that He who has given can take away, and as a kind Father He chastens and can also heal. Life at the longest is short in this world, yet you can look forward to that time when you will go to meet him in that place where the wicked cease from troubling and the weary are at rest. He has ended his journey here and gone to fill that place prepared for him where

there are many mansions. It was God that did it, and He by His spirit can comfort you.

You have lost here a fond, dutiful, and obedient son and a kind and affectionate brother. And we, also, have lost a brother who was always ready and willing to give his assistance in anything that tended to the pleasure or welfare of his associates, and whose place will not easily be filled in our Division.

May the Giver of all good be with you to comfort and lead you to Himself, is the prayer of Yours in sympathy, (GEORGE HENDERSON, Com. GEORGE JESSIMINE, HOWARD RUSSELL.

Burning of Sinclair's Mill.—As the fireman of Sinclair's mill, at Northwest Bridge, was getting up steam on Tuesday morning about five o'clock, he discovered that the engine room was on fire over the boiler. He, at once, gave the alarm to the engineer, Mr. McIntosh, and also to Mr. Sinclair, but when they and others appeared on the scene it was too late to save the building, which was burned to the ground. The steam fire engine was sent up from Newcastle and did good work in saving lumber. Mr. Sinclair lost over \$100,000 of shingles and about a day's saving of deals was burned. Excellent salvage service was rendered by Mr. Sinclair's neighbors in the vicinity as well as the firewards and others who went from Newcastle. The property was insured for \$5,000, which will, of course, lighten Mr. Sinclair's loss somewhat, although he is still a heavy loser. He will probably, not be daunted by the misfortunes, as he is one of our most popular and energetic business men.

GRAND LODGE OF ODD FELLOWS.—About ninety representatives were in attendance on the Grand Lodge of Odd Fellows at Charlottetown last week. The election of officers resulted as follows: Andre Cushing, St. John, Grand Master; A. S. McIntosh, Oxford, N. S., D. G. M.; Theo. Chappelle, Charlottetown, G. Warden; J. C. P. Frazer, Halifax, G. Secy.; H. A. Taylor, Halifax, G. Treas.; Benj. Bremer, Charlottetown, Grand Representative.

W. P. DOLE, Chairman of Committee. CLARENCE WARD, Secretary. Saint John, N. B., 2nd July, A. D., 1883.

BUSINESS NOTES.—It was generally known on Saturday that Mr. A. B. Sheraton was financially embarrassed, and it was reported that he had assigned. The latter statement was not actually true, but it turned out that Mr. Sheraton had suspended. The crisis was brought about by the failure of Mr. W. H. Tuck, who had gone to England, to make a satisfactory arrangement with the creditors on the other side of the ocean. The liabilities are estimated all the way from \$80,000 to \$120,000, but they are not likely to be more than \$100,000. It is understood the creditors in St. John and in Canada generally are secured.—St. John Globe.

Latest advices from Spain indicate that the situation is of the gravest. The revolt appears to be rapidly spreading, and the outbreaks of many towns are ripe for an outbreak. Bands of armed men are congregating in the mountains, and cheers for the republic have been raised by workmen in various centres.
