BUSINESS NOTICE. The "MIRAMICH ADVANCE" is published at Chat-ham, Miramichi, N. B. every THURSDAY morning in time for despatch by the earliest mails of that day

It is sent to any address in Canada, the United States or Great Britain (Postage prepaid by the Pub-lisher) at the following rates :--One year. - -

After 6 months, If paid in advance, \$1.00. Advertisements are placed under classified hea Advertisements, other than yearly or by the sea

on, are inserted at five cents per line nonpareil, (or sixty cents per inch) for 1st insertion, and two cents per line (or twenty cents per inch) for each

Yearly, or season, advertisements are taken at the rate of \$6.75 an inch per year. The matter in space secured by the year, or season, may be hanged under arrangement made therefor with the

The "MIRAMICHI ADVANCE" having its large circu on distributed principally in the Counties of Kenn and, Gloucester and Restigouche (New Brunswick), and in Bonaventure and Gaspe (Que Fishing and Agricultural pursuits, offers superior pursements to advertisers. Address Editor ' Miramichi Advance," Chatham N. B. Miramichi Adrance.

HATHAM. - - DECEMBER 27. 1883.

The "Advance" and Christmas. We observe that nearly all the daily

papers of the Province were not published on Christmas Day and the week lies were filled with Christmas adverfact is that printers, like everybody

else, require a holiday occasionally. They cannot be expected to do much work Christmas times, ours being

no exception to the rule. If the Ap-VANCE, therefore, is not as full as usual this week our patrons will, no doubt readily overlook any omissions and accept in lieu thereof the compliments of the season.

York County. York County is to have an election t

been a Liberal constituency and who-

throughout the County and his personal

popularity was so great that it is hardly

to be expected-should the Tories put

up a man-that his successor in the

majority so large as his, but it is grati-

fying to know that there are unmistake-

able indications of an increasing Liberal

sentiment among the men of York

which is strong enough to " hold the

mentioned as probable candidates on

each side. The Liberals appear to look

generally to Mr. Geo. F. Gregory, while

the names of Messrs. Alex. Gibson, jr.,

used. We understand that Mr. Ster-

ling-though a very popular man, wh

would doubtless be acceptable to the

party-does not wish to go to Ottawa

just now, while Mr. Gibson is probably

of the same mind. In any case the

party will centre on the man finally

selected as the best and, then, the

managers on the other side will have

own and will be obliged to make the

best arrangements possible to render

their defeat as light as possible.

Among the aspirants on the Govern-

whose claims are those of a political

martyr; Mr. Fisher, who has been so

often defeated that he has learned to

like it and Mr. Wetmore, M. P. P.

who would like to run, just to try his

luck, but for the fact that it would in-

volve the resignation of his seat in the

local House and, like a sensible man, he

thinks the latter-even with the draw-

back of the leadership of the opposition

-better than no legislative honor at

all. Mr. Wetmore knows York too

well, now, to face her electors, so it is

probable that he will keep what he has.

and be thankful. On the whole, this is

not a very good time in which to put up

Tory candidates, and our friends of that

political stripe will exercise a wise dis-

cretion if they keep quiet in York for

the present.

The names of several gentlemen are

fort" in any case.

Liberal interest will be returned by a

fill the vacancy in the House of Com mons caused by the death of the late

colonies he has done so much towards at all.

establishing are equally entitled to his sympathy and good offices, and should especially guard himself against being imposed upon by designing men \$2.00.

who may be quite indifferent as whether good feeling prevails in the community or not, so long as they can

secure his assistance in promoting their pet interests.

### Over-Valuation.

If further argument against the present high protective policy of our tariff laws were necessary it is found in the special report of the chief of the special agents of

the custom service just transmitted to the Secretary of the Treasury. In his annual eport Special Agent Martin charged that the undervaluation of invoices was of common occurrence, and that by this means importers defrauded the Government out of many thousands of dollars annually.

This statement was denied by several im-The following extract from a letter porters, and to substantiate his charges he written by one of O'Donnell's counsel prepared this supplementary report, which (supposed to be Mr. A. M. Sullivan, hows that it is the custom among Europ. "President of the Irish Republic,") will ean merchants to undervalue their goods be read with interest :--
