Every Spring.

DRIVEN FROM A WEARY WOMAN. Plain and simple mechanics are not liable to get out of order. Complicated watches, intended not only to keep the time of day, but to mark the movements of the moon and stars, are certain to need frequent repairs. Husbands and fathers often fail to see that their wives and daughters are more delicately organized than themselves, requiring corresponding care when they are well and assistance when they are ill. Yet much better for woman's fine system is a trustworthy medicine, ready at all times for use, than a deal of tinkering by semi-educated local practitioners.

The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW. Saved Him 1,800 Dollars! ADAMS, N. Y., Jan. 30. 1882.

DR. B. J. KENDALL & Co., Gents: Having used a good deal of your Kendall's Spavin Cure with great success, I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross har and got last and tore one of his

over the cross bar and got last and tore one of his hind legs all to pieces. I employed the best far-riers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely of, and he sold afterwards for \$1800 (dollars.) I have used it for bone spavins and wind galls, and it has always cured completely and left It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can. E. S. LYMAN. Very recpectfully,

From the Akron Commercial, Ohio, of Nov. 25th, 1882. Readers of the Commercial can not well forge that a large space has for years been taken up by Kendall's advertisements-especially of a certain Spavin Cure. We have had dealings with Dr. Kendall for many years, and we know of some large business houses in cities near by who have also dealt with him for many years, and the truth is fully and faithfully proven, not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English Language is not capable of recommending it too highly.

Kendall's Spavin Cure will cure spavins. There are hundreds of cases in which that has been proven to cur certain knowledge, but, after all, if any person coufines the usefulness of this celebrated medicine to curing spavins alone, they make a big mistake. It is the best medicine known as an outward application for rheumatism in the human family. It is good for pains and aches, swellings, lameness, and is just as safely applied to men, wo-men and children as it is to horses. We know that there are other good liniments, but we do believe this spayin cure to be far better than any e

Kendall's Spavin Cure. Hutchinson's Ranch, 12 miles north of Denver, Col. Mar. 5th, 1883.

Dr. B. J. Kendall, & Co., Gents:—For the past three years I have used Kendall's Spavin Cure. In every case of spavin, of which I have treated five, thas killed them all, and entirely removed three. In case of splint I find it has no equal, one case I had was of three years standing and the Spavin Cure removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on instep and toes, it would be mpossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I sent for Kendall's Spavin Cure, it was all I used, and in six days I could walk around. About three weeks ago my team walk around. About three weeks ago my team ran away and threw me out of the wagon, the hind wheel struck my knee. After applying several highly recommended liniments without obtaining any relief, I went for Kendall's Spavin Cure. My leg was drawn up and my knee swollen badly. In three days I was able to walk to the barn. I could go into details more fully and make this a result of the country of the country

letter, but will not weary you.

I am very respectfully yours,

OSCAR F. HUTCHINSON. P. O. Lock Box, 2362, Denver City, Col. KENDALL'S SPAVIN CURE.

Santa Rosa, Cal., Feb. 9th, 1883.
B. J. KENDALL & Co., Gents:—I feel it a duty to others suffering with the piles and falling of the rectum to write you. I have had the piles and prol apsus of the rectum for five years, for the past three years I have suffered the most agonizing pain. Tried everything without relief, but after ten days use of Kendall's Spavin Cure I have not seen nor heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease al most worse than death. I had a valuable young horse that had a large banch gather on his breast bone. I tried all kinds of iniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared.— Thinking that a liniment that would do what Ken dall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort.

With gratitude and best wishes for your success,
I am faithfully yours,
J. H. GLENN. KENDALL'S SPAVIN CURE. ON HUMAN FLESH
