"Pears like they didn't tumble to innercent jokes," he said to himself. Then he looked across the street and saw the signs of the Chicago Museum. "A show, hey? Well, I'll take that in sure." DR. B. J. KENDALL & Co., Gents: Having used a good deal of your Kendall's Spavin Cure with great success, I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of riers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely of, and he sold afterwards for \$1800 (dollars.) I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy

a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can.

Readers of the Commercial can not well forge that a large space has for years been taken up by Kendall's advertisements—especially of a certain Spavin Cure. We have had dealings with Dr. Kendall for many years, and we know of some large business houses in cities near by who have also dealt with him for many years, and the truth is dealt with him for many years, and the truth is fully and faithfully proven, not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English Language is not capable of recommending it too highly.

Kendall's Spavin Cure will cure spavins. There are hundreds of cases in which that has been proven to our certain knowledge, but, after all, if any person confines the usefulness of this celebrated medicine to curing spavins alone, they make a big mistake. It is the best medicine known as an outward application for rheumatism in the human family. It is good for pains and aches, swellings, lameness, and is just as safely applied to men, women and children as it is to horses. We know that

One year ago a two hundred pound block of ice fell out of a wagon striking my foot on instep and toes, it would be mpossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I sent for Kendall's Spavin Cure, it was all I used, and in six days I could walk around. About three weeks ago my team ran away and threw me out of the wagon, the hind wheel struck my knee. Tried everything without relief, but after ten days use of Kendall's Spavin Cure I have not seen nor heard of the piles since. One who has seen nor heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch gather on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared.—
Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might.

dall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort. With gratitude and best wishes for your success,
I am faithfully yours,
