I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth. It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would,

Very recpectfully, E. S. LYMAN. From the Akron Commercial. Ohio, of Nov. 25th, 1882. that a large space has for years been taken up by Kendall's advertisements—especially of a certain Spavin Cure. We have had dealings with Dr. Kendall for many years, and we know of some large business houses in cities near by who have also dealt with him for many years, and the truth is

fully and faithfully proven, not only that he is a honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English Language is not capable of recommending it too highly.

Kendall's Spavin Cure will cure spavins There are hundreds of cases in which that has been proven to our certain knowledge, but, after all, if any person confines the usefulness of this celebrated medicine to curing spavins alone, they make a big mistake. It is the best medicine known as an outward application for rheumatism in the human family. It is good for pains and aches, swellings, lameness, and is just as safely applied to men, wo-men and children as it is to horses. We know that

there are other good liniments, but we do believe this spavin cure to be far better than any ever in-Kendall's Spavin Cure.

Hutchinson's Ranch, 12 miles north of Denver, Col. DR. B. J. KENDALL, & Co., Gents:-For the past three years I have used Kendall's Spavin Cure. In every case of spavin, of which I have treated five, t has killed them all, and entirely removed three. In case of splint I find it has no equal, one case I had was of three years standing and the Spavin Cure removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on instep and toes, it would b mpossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I sent for Kendall's Spavin Cure, it was all I used, and in six days I could

walk around. About three weeks ago my team ran away and threw me out of the wagon, the hind wheel struck my knee, After applying several highly recommended liniments without obtaining any relief, I went for Kendall's Spavin Cure. My leg was drawn up and my knee swollen badly. three days I was able to walk to the barn. I could go into details more fully and make this a very long letter, but will not weary you.

I am very respectfully yours OSCAR F. HUTCHINSON, P. O. Lock Box, 2362, Denver City, Col. KENDALL'S SPAVIN CURE.

B. J. KENDALL & Co., Gents:-I feel it a duty to others suffering with the piles and falling of the rectum to write you. I have had the piles and prolapsus of the rectum for five years, for the past three years I have suffered the most agonizing pain. Tried everything without relief, but after ten days use of Kendall's Spavin Cure I have not seen nor heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large banch gather on his breast bone. I tried all kinds of iiniments and had it cut open without any benefit. Saw your advertise ment and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared .-Thinking that a liniment that would do what Ken-
