Mr. Skinner went down stairs and disappeared. When she went down stairs he was not in sight, so she busied herself in get. ting dinner, which on Sunday took the place of supper, and thought no more does harm to any one. She was a distinguished woman; dis-

No girl could be found neat enough to live with her; all the mottoes in the house were to the effect that cleanliness was akin to godliness. She dusted every article of furniture in her house several times every day; she scrubbed so often that the children had chronic diphtheria; she scrubbed so clean that dirt. DR. B. J. KENDALL & Co., Gents: Having used a good deal of your Kendall's Spavin Cure with great success, I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his bind logs all to pieces. I employed the heat for over the cross bar and got last and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely of, and he sold afterwards for \$1800 (dollars.) We have had dealings with Dr. Kendall for many years, and we know of some large isiness houses in cities near by who have also dealt with him for many years, and the truth is fully and faithfully proven, not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English Language is not capable of recommending it too highly.

Kendall's Spavin Cure will cure spavins. There are hundreds of cases in which that has been prov en to cur certain knowledge, but, after all, if any person coufines the usefulness of this celebrated

medicine to curing spavins alone, they make a big mistake. It is the best medicine known as an out-Men's, Youths' & Childward application for rheumatism in the human family. It is good for pains and aches, swellings, lameness, and is just as safely applied to men, women and children as it is to horses. Dr. B. J. Kendall, & Co., Gents:—For the past three years I have used Kendall's Spavin Cure. In every case of spavin, of which I have treated five, thas killed them all, and entirely removed three. In case of splint I find it has no equal, one case I had was of three years standing and the Spavin Cure removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on instep and toes, it would be striking my foot on instep and toes, it would be mpossible to mash a foot worse without breaking any bones. I was taken home and carried into th house. I do not think amputation of the leg would cause any more pain. I sent for Kendall's Spavin Cure, it was all I used, and in six days I could walk around. About three weeks ago my team ran away and threw me out of the wagon, the hind wheel struck my knee. After applying several highly recommended liniments without obtaining any relief, I went for Kendall's Spavin Cure. My leg was drawn up and my knee swollen badly. bree days I was able to walk to the barn. I could ro into details more fully and make this a very long letter, but will not weary you.

I am very respectfully yours,

In less than one week the lump had disappeared.—Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort.

With gratitude and best wishes for your success, I am faithfully yours, psus of the rectum for five years, for the past
