Better the fame of an honest name

## But far along, with gladness song,

The birds from Heaven pass,  
And in their bliss they stop to kiss  
The humble blade of grass.  
The pride of birth is but of earth,  
And above upon the shore,  
But truth divine doth further shine—  
It lives forevermore.

## Saved From a Horrible Death.

Up to May last I spent at least five hundred dollars for treatment by many of the best medical men without any benefit. My mouth and throat became badly ulcerated, sores breaking out on my neck and legs. I also suffered excruciatingly with Rheumatism, grew very despondent, and my best friends advised me that the icy hand of death was fast approaching. I caught at Shaker Blood Syrup like a drowning man at a straw. After taking two bottles I could feel a change for the better. The sores began to discharge freely, and Rheumatism to abate. When I had taken six bottles every sore had healed and my skin began to assume a natural appearance. I persisted until I had taken twelve bottles, and there is not a symptom of the disease remaining, and I feel as well as I ever did. I have gained twenty-one pounds in flesh, and my friends wonder at my improved condition. I have recommended it to many, and in every instance with complete success. I believe that Shaker Blood Syrup has saved me from a horrible death.  
T. S. Berger, South Boston, Mass.

## The Local Paper.

It is common for small great men to speak with contempt of the local newspapers, but the village newspaper makes more great men out of less material—more bricks without straw—than any other factor in politics, and it is the one ladder on which men climb to local distinction, as the beginning of wider fame. The advent of the local newspaper has always dated the increased thrift of the community. The local newspaper is the life of the locality, and measures the advancement of the people. Not only subscribe but pay for your local newspapers. They are the friend and help-mates of all seasons.

## Loss and Gain.

CHAPTER I.  
"I was taken sick a year ago  
With bilious fever, but  
"My doctor pronounced me cured, but  
I got sick again, with terrible pains  
in my back and sides, and I got so bad  
I could not move!  
I shrank!  
From 225 lbs. to 120! I had been doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magic, and after using several bottles I am not only as sound as a sovereign but weigh more than I did before. To Hop Bitters I owe my life!  
Dublin, June 6, '81. R. FITZPATRICK.  
Now to get sick—Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised; and then you will want to know how to get well, which is answered in three words—Take Hop Bitters!"

## Lost in London.

A cablegram from London says: "The discovery of the naked body of a young girl about 8 years old, with comely face, long brown hair, fine dark eyes and white teeth, in the small garden in front of a house in the fashionable and decorous suburb of Maiden Vale, which Mary Anderson affects, has created a sensation and renews the talk about the number of unsolved mysteries in London. The annual police report mentions that last year the loss of 12,441 children under 10 was reported, and though only six were uncovered, this, with 139 adults who cannot be traced, and 30 dead bodies picked up in the streets and unidentified, makes a bad yearly total of sinister mysteries."

## A Sad Neglect.

Neglecting a constipated condition of the bowels is sure to bring ill health and great suffering. Burdock Blood Bitters regulate the bowels in a natural manner, purifying the blood and promote a healthy action of the stomach, liver, kidneys and bowels.

## GENERAL NOTES AND NEWS.

The ice cream season fades away  
Back through oblivion's door,  
And glaring signs around us say  
That oysters have the floor.  
Those unhappy persons who suffer from nervousness and dyspepsia should use Carter's Little Nerve Pills, which are made expressly for sleepless, nervous dyspeptic sufferers. Price 25 cents, all druggists.

## The Viceroys of India receives a salary

of \$125,000 a year, exclusive of allowances estimated at \$60,000 a year. This is \$5,000 a year better, in the aggregate, than the salary and allowances of the President of France.

## A Strong Endorsement.

The Clergy, the Medical Faculty, the Press and the People all endorse Burdock Blood Bitters as the best system regulating blood purifying tonic known. Its work bears out their best recommendation.

## The Cholera is not spreading in Spain.

Another revolution has broken out in San Domingo.

## A Rare Plant.

The Wild Strawberry Plant possesses rare virtue as a cleansing, cooling, astringent, antiseptic, and healing medicine, and when combined with other valuable vegetable extracts, as in Dr. Fowler's Extract of Wild Strawberry, it is an unfailing remedy in all bowel complaints.

## Italy has abolished quarantine against cholera on French frontier.

A large firm of American cotton manufacturers has assigned.

## The Sultan of Morocco is a cruel and inhuman despot.

He receives all sorts of

drives in administering justice—or injustice—and orders the most dreadful mutilations to be inflicted in his presence as judicial punishments. There is no appeal from his decisions, and if objectionable persons do not confess their alleged crimes fast or fully enough, he slowly roasts their bodies, or pinches and stretches them.

## Respect Age.

Age should always command respect, in the case of Dr. Fowler's Extract of Wild Strawberry it certainly does, for 25 years that has been the standard remedy for Dysentery, Diarrhoea, Colic and all Bowel Complaints.

## There were 192 failures in the United States during the past week.

It is confidently asserted that Washington's skill was taken to France.

## Rev. Camillus P. Maes, of Detroit, has been appointed Bishop of Covington.

In 1875 I was the victim of a terrible Blood Poison, and after being treated by three physicians was confined to my bed, not able to raise my hand to my head, spitting up clots of blood, and reduced in weight from one hundred and eighty-five to one hundred and thirty pounds. I then began the use of Shaker Blood Syrup, and in less than three months I was entirely well, weighed one hundred and ninety-six pounds, and have never had a symptom of the disease since. If it had not been for Shaker Blood Syrup I believe I would have been in my grave.

## Chas. Berger, Hoboken, N. J.

## The Czar has been particularly affable to the Poles during his visit to Warsaw.

Capt. Dunn, of the British steamer Harbinger, killed himself Thursday in New Orleans. His mind was deranged by illness.

## Wm. Brown, jr., of Boston, for thirty years head bookkeeper of the Bay State Iron Co., was arrested on a charge of embezzling \$1,500.

## An Ex-Alderman Tried It.

Ex-Alderman Taylor of Toronto, tried Hagar's "Yellow Saffron" for Rheumatism. It cured him after all other remedies had failed.

## The Vienna police have discovered a band of forgers consisting of father and seventeen children. The whole party are connected with the Anarchists.

## If you are tired taking the large old-fashioned griping pills try Carter's Little Liver Pills and take some comfort. A man can't stand everything. One pill does.

## The Algonquin Indians, in the district of Lake Temiscaming, are said to be starving.

## F. T. vs. N. F.—The Steel Company of Scotland on Wednesday declared a dividend at the rate of 7 1/2 per cent. per annum.—Edinburgh Standard.

## This was in Free Trade. Scotland. In Protected Canada the steel works have to close up.—London Advertiser.
