THE STAMBOUR COMPANY.—The World, in the interest it was established to serve joins the Times and Advocate against the proposed up-river steam service. Letter from Capt. Brown. CHATHAM, N. B., Oct. 28th, 1884. To the Editor of the Miramichi Advance. Sir,—In looking over the last issue of the ADVANCE I was pleased to see the Schooner Vigilant of Bathurst, so well spoken of. I further wish to add that the Vigilant is classed in the American Foreign Association of New York, A. F. A., for nine years. She was built under Special Survey and is in every respect, a staunch vessel. The Book of Record would be a fit reference for all Insurance Companies represented about the Miramichi, and can be obtained at the Society's office, 37 William Street, New York. Any wishing to subscribe for the same may obtain it for \$10 by the year from the Agent at this Port.

The Honorable's Mistake. The World made a very silly attempt in the Municipal Election to awaken local prejudices in Chatham. It gave out a list of candidates, Mr. Adams, it gave out that there was a deep design on the part of certain political managers, in view of the fact that the electoral list on which voting will be done for the next Assembly election would be made up by the men returned to the Municipal Council this year. The World pretended to believe that its imaginary political managers were thus plotting to control the electoral list against the interests of the representatives of good government for whose special benefit it was established.

Municipal Elections. The meeting in Chatham was begun at ten o'clock by the Town Clerk, Mr. Wm. T. Connors, announcing the names of the four candidates nominated, viz., Messrs. Roger Flanagan, Peter Loggie, Wm. Kerr and R. B. Adams. Mr. James Carter was unanimously elected chairman and the oath being administered to him by the Town Clerk, he at once prepared a ballot box for the reception of votes. A delay of a few minutes was occasioned by the absence of the Collector of Rates with his list and on his arrival the election went on. There was no little interest manifested in various ways during the day. The most active canvassers were Messrs. Loggie, Flanagan and Adams, while Mr. Kerr seemed to be doing the least, but if he let the ratepayers pass without great efforts to influence them, his interests were not neglected by at least one friend, whose canvassing was original in its method, if not effective in winning support. In the main, however, the work of the day was done without any special friction, and it may be said that everybody seemed in good humor and prepared to accept the result in a proper spirit.

At 10 o'clock yesterday morning the result of the election was officially declared. There was a very exciting contest in Hardwick, the ratepayers being incensed at Councillor Sullivan for voting at the Municipal Council in January against their interests in the Valley Railway matter. The popular ticket was Councillor Thos. B. Williston and Mr. Michael Bransfield. The result was,— Williston, 151; Bransfield, 48.

Bible Society Report.

The sixty-fourth Annual Meeting of the Miramichi Ladies' Auxiliary Bible Society was held in the hall of the Mechanics' Institute, Newcastle, on Tuesday, the 7th day of October, at 2 o'clock p.m. Mrs. William Parker, one of the Vice-presidents, occupied the chair, and called upon the Rev. Mr. Aitken to open the meeting with prayer.

The minutes of last annual meeting were read and sustained. A letter was read from the Parent Society, containing cheering words of congratulation and encouragement; and giving a detailed account of their own rapidly extending work and of the large measure of success with which their labors had been blessed during the past year. A letter was also read from Rev. Mr. Darragh, of Linden, Ontario, who for a considerable time had acted as Colporteur to the Society. The members of the Society listened to the aid tidings with feelings of deep regret. It was moved that the Society record their high appreciation of Mr. Combie's arduous and self-denying labours in the interests of the Society, and their feelings of deep regret at the loss the Society has sustained in his death. It was also moved by Mrs. S. Thomson, that the Society defray all the expenses of the funeral of the late Mr. Combie. The above motions were carried unanimously. Mr. Combie was greatly esteemed, and did excellent work in the districts in which he labored.

The following sums were received and acknowledged by Mrs. McCurdy, Treasurer, viz:— Douglastown, \$16 75; Upper Chatham, 52 10; Lower Chatham, 40 00; Upper Napan, 3 75; Lower Napan, 7 79; Black Brook, 15 50; Tabusintac, 10 90; Newcastle, (Upper Dis.), 12 45; Newcastle, (Middle Dis.), 50 00; Newcastle, (Lower Dis.), 12 50; \$220 74.

This sum with a balance of \$23.34 in Mrs. McCurdy's hands, and the balance of \$20.12 in Mr. Brown's hands, makes the total sum of \$264.20 on hand at this date. The meeting then proceeded to the election of officers for the ensuing year, with the following resolutions were passed:— 1st, That Mrs. Canard be continued in office as President.

2nd, That Miss Percival, Miss Chalmers, Mrs. Wm. Parker and Mrs. Snowball be Vice-Presidents. 3rd, That Mrs. McCurdy be Treasurer. 4th, That Mrs. Aitken be Secretary. 5th, That the Committee be as follows:— Mrs. Gray, Mrs. Haberly, Mrs. A. A. Davidson, Mrs. Wm. Park, Mrs. Wm. Watt, Mrs. J. Mitchell, Mrs. S. Thomson, Mrs. Alex. Loggie, Mrs. J. Johnston, Mrs. T. G. Johnston, Mrs. J. Robertson, Mrs. Wm. Murray, Mrs. J. Murray, Mrs. McCarter, Miss Eliza Thomson, Mrs. J. Flett, Mrs. J. Wells, Mrs. Wm. Anslow, Mrs. J. Anslow, Mrs. Chapman, Mrs. Waits, Mrs. Dr. Street, Miss Bain, Miss Brander, Mrs. Frank Letson, Mrs. James Yeoman, Mrs. John McLagan, and Mrs. Bell.

6th, That the following be collectors for the ensuing year, viz:— For Upper Chatham,—Misses Letson & Morrison. Lower Chatham,—Misses Shirreff & Ferguson. Newcastle,—Mrs. Bourne and Misses Ada Maltby, Bill, and Mary Haddon. Douglastown,—Misses Cannon, Henderson and Woods. Douglastown,—Miss Nellie Irving, Nelson,—Miss Platt. Upper Napan,—Miss White. Lower Napan,—Miss Bommer. Blackview,—Mrs. T. G. Johnston. Black Brook,—Miss P. Walls. Point aux Carr,—Miss Lizzie Russell. Tabusintac,—Miss Beattie. Red Bank,—Mrs. McCarter. Black River,—Mrs. Hugh Cameron. It was moved, seconded, and carried unanimously that the sum of \$35 stg. be sent as a Free Contribution to the British and Foreign Bible Society. It will be noticed that we have been obliged this year to reduce very considerably the amount of our Free Contribution. This does not arise from any lack of sympathy with the Parent Society. On the contrary, if our funds permitted we would gladly increase our contributions in this way. But we feel constrained by nearer necessities of our own home districts. In the interests of these districts, to make all necessary arrangements and secure as speedily as possible the services of an effective Colporteur, the following Committee was appointed.—Mrs. McCurdy, Mrs. Wm. Parker, Mr. Brown, and Mr. Brander.

It was then moved that a cordial vote of thanks be given to the Collectors of the past year, and also to the Press for gratuitous advertising. In closing this report we beg to say that the members of the Society feel grateful to their friends for their hearty and liberal contributions. Notwithstanding some disappointments they feel that they have reason to thank God and take courage. They ask for increased

interest in the work of the Society—for prayer on its behalf, and for that Christian love which kindles zeal and leads to self-denial and sacrifice for others' good.

Another Elm Tree.

The Moncton Times will hardly put the following, from its editorial columns, down to its Newcastle correspondent.— "One of the most striking illustrations of modern speculation is found in the recent action of the late Mr. J. B. Chaffee and his associates advised Holmes to invest in a mining company and in fact urged the investment as one of the highest value. Holmes made inquiry of Chaffee concerning the mine and was assured in the highest terms. Holmes thereupon purchased shares to the amount of \$13,000, all of which was sunk and he then brought suit for fraud. No defence was made and the verdict was for principal and for the interest amounting to \$15,000. This Chaffee was estimated a known no credit and a very bad character. J. B. Chaffee and U. S. Grant, Jr., was considered a lucky fortune hunter in marrying his daughter, but now it appears that the wealth was only on paper and Chaffee at present is not worth a dollar. In addition to this he has ruined all who listened to his persuasions."

The Great Pyramid Theories. The wonderful statements and theories in Mr. Piazzi Smyth's book on the Great Pyramid, so confidently and enthusiastically advanced, have won many readers to an acceptance of his positions, and have, perhaps, puzzled a still greater number. Most readers have not sufficient knowledge to pronounce decisively on some of the matters urged. An examination and test of the book and of its assertions by a competent hand was greatly needed. This work has been performed by the venerable Dr. Barnard, President of Columbia College, New York, thoroughly performed, in an elaborate paper entitled "The Imaginary Metaphysical System of the Great Pyramid of Gizeh." In reviewing this work, The American Literary Churchman says: "Dr. Barnard has utterly abolished the preposterous theories which have attracted a good deal of attention, and apparently secured not a little belief." "One by one Dr. Barnard seizes the cords on which for the last twenty years these fanatics have been engaged in weaving a web of religious mystery. He deals with each successive article of this strange faith, the question of the circle, the astronomical significance of its passages, the divine mission of its builders, its latitude and longitude, its ratio to the mass of the earth, its average temperature, and adequate part of the earth's daily motion, reducing each to an absurdity, or confronting its false assumption with the facts ascertained by scientific method."

It will be remembered that Rev. Dr. Jarline, late of Chatham, was an enthusiastic believer in the Great Pyramid theories of Mr. Smyth, on which he delivered an illustrated lecture.

A Distinguished Jew. A Montreal despatch of 24th inst. says the Anniversary celebration, in that city, of the one hundred and first birth-day of Sir Moses Montefiore, the great British Hebrew philanthropist, was a very brilliant one in which the large number of guests and from distant points fully participated, and from the list sympathy and active cooperation of many of their christian fellow-citizens. The centenary whose birthday was thus honored is the son of the late Joseph Montefiore, Esq., and was born October 24, 1784, served in the office of Sheriff of London in 1837, and was knighted on the visit of Her Majesty to the Guildhall, Nov. 9. He has been high sheriff in Kent, England, in which county he resides, and was raised to baronetcy in 1846 in recognition of his high character and public services. He went about 1840 on a mission to the East, in order to secure certain rights for his Jewish brethren at Damascus, and after his return, having accomplished his object, was presented by the Jews of London with a handsome piece of plate as a token of their regard. In 1864 he received the thanks of the Court of Common Council for the signal services he had rendered by missions in various countries for the relief of persons oppressed for their religious convictions, and more especially by a journey to Morocco, undertaken to solicit the Emperor to relieve his Jewish and Christian subjects from all civil and religious disabilities. In 1867 he was successful in a mission to Russia in favor of his oppressed brethren in that country. Sir Moses founded in 1874 a Jewish College at Ramsgate in memory of his wife, Judith Lady Montefiore. There were great rejoicings at Ramsgate in October and November 1883, on the occasion of Sir Moses entering on the hundredth year of his age.

A frightful occurrence took place on the Paducah and Memphis train, Sunday night, 19th. Herman Marshall, of Dyersburg, Tenn., was on the train drunk, and he went up and down the aisle with a knife in his hand threatening everybody and indulging in the most frightful obscenity. Finally he insulted a man named Boon Hulefettes, of Marysville, who struck him. Marshall cut and slashed Hulefettes' head, face and shoulders in a sickening manner, and the latter last turned and ran out upon the platform, where Marshall followed him and plunged the knife into his bow-diel and threw the bleeding man from the train as it passed over a bridge, the victim falling fifteen feet. The train backed up and the wounded man was taken up barely alive. Marshall continued his promenade through the cars, daring any one to touch him, and no one dared. He was not arrested.
