ST. MARY'S ENTERTAINMENT. - The 5th Popular Evening Entertainment in the St. Mary's Sanday School Series, will be held in the School Room, on Monday Evening next, the 25th inst., at 7.30, standard time. The programme will be an excellent one, and will, no doubt, merit an overflowing house.

RETURNED. - Ryan, who wandered away from the Lunatic Asylum several weeks ago, has been returned to that institution. He had made his way to Bartibogue, where his friends reside, and, the St. John Globe says, they neglected to inform Dr. Steeves, who, fearing the man was wandering about the country, was searching and making inquiries for him in various directions.

THE "FEEEMAN" seems particularly anxious to champion the Sheriff of Gloucester through his difficulty arising out of his raid on the Shippegan Post offices, and it goes out of its way to treat the ADVANCE in a manner which a good many people say is characteristic of the paper with its former friends since it ceased to be controlled by Mr. Anglin. We, of en wes trees an desire to quarrel with the receiver, od and somewhat

surprised to find it turning upon us in behalf of the offending Sheriff. We wish it joy with its new allies in Gloucester.

BRUTAL MURDER. - James H. Adams, a native of Dorchester, was murdered on Friday evening, 8th inst at Calgary, Manitoba, in the store of Graves & McKelvie. Adams and a negro cook named Jess Williams were last seen together in the store, and were heard disputing over an account. Adams was found half an hour afterwards with his head almost severed from his body. Williams fled, but was overtaken by Mounted Police, and put in gaol at Galgary. The deed seems to have been accomplished without a struggle, the clothing was not torn or the body mutilated. Only the skin of the back of the neck held the head and body together.

JOHN L. SCOFIELD, Councillor for Black ville and seconder of the resolutions offered by Councillor Whelan against the Miramichi Valley Railway, is published in the Advocate as a runaway and defaulter. of Hardwicke having been handed to Alex. Mills, Esq., Town Clerk, he called a public meeting for Saturday, 16th inst. at 2 o'clck, p. m. The meeting was summoned for the purpose of giving an ex pression of public opinion on the route of the Northern and Western or the Miramichi Valley Railroad, and, also, to condemn the vote of Councillor Jeremiah Sullivan on the resolutions passed at the late meeting of the Municipal Council.

The meeting was the largest that ever assembled in the Parish of Hardwicke. It was held in the Village school room and that large building was packed with rate-

The resolutions were seconded by Messrs. B. W. Smith, John G. Williston, (Overseer of Fisheries); Wood Williston, (Light-Keeper); Robert Noble, jr.; Robt. Noble, (John's son); Alex. Wilson, (Pilot); John Noble, (Overseer of Fisheries); Joseph Lewis; Maxim Martin; Andrew Babineau; Thomas McLeod; Seymour Williston: John Manuel, jr.; George Mills; John Mills; Robert McLean; Geo. Several of the above-named gentlemen made brief remarks in favor of the Northern and Western Railway Company and condemnatory of the few obstructionists who are standing in the way of

the Valley Railroad. The Chairman, in putting the question, asked, that no mistake might be made, that all those who were in favor thereof should stand up. Instantly every ratepayer in the room was on his feet, and three cheers were given for the Valley Railway and its deep-water terminus at

The Chairman then declared the resolutions carried unanimously.

The minutes of the meeting were then read and passed unanimously. The Chairman having been called from the Chair, Mr. J. B. Williston was called to it, when Mr. A. G. Williston moved a vote of thanks to the Chairman for the able manner in which he had performed the duties of Chairman.

Three times three cheers were given fo the Valley Railway and the deep water terminus at Chatham. Three cheers were given for the Chairman and three for the venerable Town Clerk and the meeting payers. If the Bacon Williston moved the following obstructionists were present they would see that those who do not favor Chatham Resolved that this meeting realise with as the terminus of the Valley Railway regret the failure of a Company said to need not apply for votes in Hardwicke.

# Carnival.

The most successful Carnival this winter at Newcastle was that held on Thursday evening last, the evening of St. Valentine's Day. There was a much larger attendance of skaters than usual, the re sult probably of admitting ticket holders Grand Promenade Concert in costume free. The skaters numbered about one hundred, many of the costumes being novel, and showing much care in preparation. One of the new representations was that of the Newcastle Square, Miramichi as possible where we believe which was well gotton up, and must have cost the two lads who planned it, considerable time in preparing all the details. be built so as to join the Intercolonial be- It was about five or six feet in diameter, was carried by two skaters. The only thing really faulty about it was the fence, which was made of laths. Had the lads used inch square palings instead, and planed, the fence would really have looked more like the one it was intended to re opinion that the Square deserved a prize but it failed to secure one, probably on account of the defect referred to.

There were some fine costumes among the lady skaters, so many indeed that the Judges had no little trouble in making their awards. There seemed to be no hesitation on the part of the spectators to give the first place to Miss Mary Ritchie, who was very handsomely attired as Ceres. Her dress which was a beautiful one, was adorned with miniature sheaves of wheat and oats, and in her hand she carried a golden sickle. The judges-Messrs. T. W. Crocker, John Niven, and H. D. McLeod, of St. John-awarded the first prize for gentlemen to Master Joel Call, as Commodore Nutt. J. S. Delaney, of Chatham, as Turk, was awarded the second prize. Miss Ritchie was awarded the first lady's prize, and Miss A. Cope-

land, as Snow, the second. Stewart's Band furnished the music. The Carnival was the most enjoyable and interesting one that has taken place here this season, and was heartily enjoyed by both spectators and skaters. - Ad-

The history of the ADVANCE is contained in its pages, and more necessary matters than a resume of it must occupy our columns just now. Mr. Snowball, like given at the late Council meeting, as well many other public spirited citizens, has encouraged the ADVANCE in every legiti- 9 mate way, and neither he nor they have yet exhibited any symptoms of encouraging another paper to start, as the Advocate's former friends encouraged the Herald, Star and World, because they realized how utterly weak and uninfluential the poor

Why does the Advocate ignore Senator Muirhead and Mr. Mitchell, who really did secure the subsidy, especially when Mr. Muirhead also assisted in enlisting the interest of Mr. Gibson, after the bogus 'President" had sued for his co-operation in vain. The fact that Senator Muirhead, who did more in obtaining the subsidy than Mr. "President," is now a codirector with Messrs, Gibson and Snowball, ought to be a sufficient answer to the Advocate's query.

Is it true that President Call has done nothing towards the road, when he was largely instrumental in getting the much needed assistance from the Dominion Government-and without which not even the bog company would have attempted to

"President" Call never was a President; his "Company" never was a Company; when at Ottawa he simply did as he was duty. "I move it," said Mr. Williston, directed by Mr. Mitchell and Senator Muirhead in the railway matter, just as he is now doing when instructed by Messrs. Adams and Park. Mr. Call is no more President of a railway Company than he is President of the United States. If it pleases him, however, to appear in ratepayers of Hardwicke deem it a duty print as a President by all means let him have the toy to play with. It is a harmless way of pleasing him.

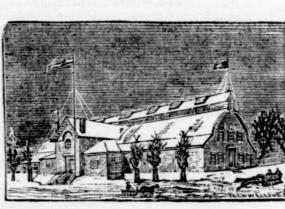

It is reported that the English, French and German consuls in Abyssinia have combined in an urgent request to King resolutions. And further resolved that John to remain neutral. This action is inspired by the express desire of the Abyssinian monarch to have a personal conference with the English representative on the Soudan border.
