ot Content With Being the Best.

Whatever may be said in regard to the propensities of the management of great

railway lines to provide for the public

only what is actually demanded in the way of accommodations and comfort, can in no way apply to the management of the Chicago, Rock Island & Pacific Railway.or as it is more familiarly known, "The Great Rock Island Route." This line has for years been recognized as the best and most comfortable route between Chicago and Kansas City and the Southwest, and has been abundantly able on this account to successfully cope with its competitors. But not satisfied with this success and its already elegant equipment, its managers It was thought by all interested in the have caused to be turned out of its shops ten-mile championship skating race that at Chicago, a magnificent line of Dining the postponement caused through the Cars which go into imme liate service on rain of Wednesday night would not only | the Kansas City Line. These cars contain all the conveniences of well turnished Washington Park, Brooklyn. The sud dining rooms, are elegant in design and den cold snap which set in on Friday floish, and models of the advanced railway surface on the ice, and, had the course furnished equal to those of any first-class been made to order, a finer sheet could | hotel in the land at the low rate of seventycents. Travellers on this line now find It was hard and clear as crystal, and on its trains all the comforts and convenifree from the cracks which worry ences of first hotels. Besides the best of and approy a skater so much. The man- first and second-class coaches there are agement had scraped and swept away Parlor Chair Cars, (which are free to all passengers holding through first class tickets) Pullman Palace Sleeping Cars and a mile track was laid out by Mr. B. Curtis | Dining Cars. This Company's lines -- all of which are equally wells equipped-also extend to Council Bluffs and the West, and marked by ropes and large calcium lights | Minneapolis and St. Paul and the Northwest; and the deserved praises bestowed upon it by returned travellers who speak testants found no trouble in navigating | from experience, make it noted throughout the land. We bespeak for the owners and managers of this magnificent Railway Shortly after 8 o'clock the men were noti. ample returns for their generous provified to get ready for the contest, and after | sions for the wants of the public, which a little trouble in assigning them their is, as has already been proven by the proper stations and fixing the scoring ap- patronage extended to this line, quick to paratus, the skaters were ranged in lines appreciate and patronize those who prove by their deeds and generous treatment of three each, with a yard between them.
