Farm animals well summered are half wintered.
Help out the dried up pastures with green fodder.
Thinning the root crops means more tons to the acre.
Clean, oil and store all the implements no longer in use.
Get out the year's supply of muck while the beds are dry.
Build temporary pasture shelter in airy parts of the fields.

A farmer's bank account may grow at the expense of his manure heap and grain crops.
A clean, cool ventilated stable, free from flies, is a suitable lodging for the tired work horse.
The possibilities of a farm are measured by the quantity and quality of brains which run it.
Superior pork made from freshly fallen wormy apples is very cleansing to an insect-infested orchard.
A crop of corn is very humble, but as a foundation for a judicious rotation it will support the symmetrical superstructure of profitable mixed farming.

Did She Die?
"No!
"She lingered and suffered long, pining away all the time for years."
"The doctors doing her no good."

"How thankful we should be for that medicine."

"And now she is restored to us in good health by as simple a remedy as Hop Bitters, that we had shunned for years before using it."--THE PARENTS.
Father is Getting Well.
"My daughters say:
"How much better father is since he used Hop Bitters."
"He is getting well after his long suffering from a disease declared incurable."
"And we are so glad that he used your Bitters." A LADY of Utica, N. Y.

Can Deafness be Cured.
Mr. John Clark, of Millridge, Ont., declares it can, and that Hagar's Yellow Oil is the remedy that cured him. It is also a specific for all inflammation and pain.
The Paris Figaro of Monday last has a bitter article against England. It declares England never helped, but always thwarted France. Her friendship is false and alliance with her is hollow. The Figaro advises France to abandon relations with England, and give up her prejudices and make an alliance with Germany. "Germany was an honest enemy, she would be an honest ally."

For an Albanian..... a beast of burden.
For a Roman..... a citizeness.

N. C. Polson & Co., druggists, write that Dr. Fowler's Wild Strawberry has long been the best remedy for Summer Complaints in the market.
The London Times says it has received from Alexandria the following translation of an Arabic telegram, dated Dongola, July 25: "The Mudir, with two battalions of Bashi Bazuks, a detachment of mounted infantry, some guns and 4,000 armed volunteers, attacked and defeated a rebel Sheikh named Ahmet El Hoda, who was entrenched in the Ambokol district among the ruins of a broken heart. The rebels were driven completely out of the province, and Dongola is now safe and tranquil. A messenger from General Gordon has arrived with a letter for the Mudir, and is awaiting a reply."

Every Spring
HOW AN AFFLICTING ANNUAL VISITOR WAS DRIVEN FROM A WEARY WOMAN.
Plain and simple mechanics are not liable to get out of order. Complicated watches, intended not only to keep the time of day, but to make the movements of the moon and stars, are certain to need frequent repairs. Husbands and fathers often fail to see that their wives and daughters are more delicately organized than themselves, requiring corresponding care when they are well and assistance when they are ill. Yet much better for woman's fine system is a trustworthy medicine, ready at all times for use, than a deal of tinkering by semi-educated local practitioners.
"Every spring," said the wife of a well known employe of the Grand Trunk Railway, Montreal, "I have been for some years troubled with nervous debility and weakness. It gave me strength, my sickness came as regularly as the buds and blossoms."
"You seem better now."
"Oh yes; I consider myself almost or quite well, and it came about in this way. A lady living on St. Catherine street this city, commended to my attention Sulphur and Iron Bitters. It gave me strength and life. My sister, living in Brockville, whose disease was nearly the same as mine, was equally benefited by the same medicine."
Sulphur and Iron Bitters prepared by Climax Chemical Co., Montreal, is for sale by all druggists. Price 50 cents.

GENERAL NOTES AND NEWS.
The King of Belgium has conferred upon Mr. Stanley the decoration of the Order of Leopold.
The son of the British vice-consul at Rodosto, Turkey, has been captured by brigands who demand 47,000 ransom.
At Berlin it is reported that the Grand Duke Louis of Hesse will abdicate in favor of his son Ernest under advice of the Emperor William. His morganatic marriage and subsequent divorce have compromised his position.
In the British House of Commons on Thursday the Under-Secretary of State said that France had obtained from the International African Association an agreement of preemption on the Congo, which had not been offered to England.

A Halifax boarding house keeper named Hendrick Gullicksen and a runner named Peter Hendricksen, were convicted in the Police Court on Thursday of inducing sailors to desert foreign ships to which they belonged and afterwards get berth on other outward bound vessels. Both were sentenced to three months' imprisonment.
A St. Ann's Victory.
Mr. John Morrison, well known in St. Ann's, N. S., had serious Kidney Complaint that bordered on dropsy. After hope had nearly fled, he was cured by Burdock Blood Bitters.

An old man of our acquaintance says he was born at the wrong time. "When I was young," he says, "young men were of no account; and now that I am old, old men are of no account."
"I say, Juan, did your sister know you at the masked ball last night?" "Well--I think she must have done; for when I patted her on the shoulder, she turned round and said: "O donkey!" --Almanaque de la Risa.
A Cure for Cholera.
Procure from your druggist one bottle of Dr. Fowler's Extract of Wild Strawberry and take as directed. It cures all Summer Complaints.
"I think," said an exasperated taproom orator, as he slowly elevated himself from the pavement to a perpendicular, "that a full-grown man who throws an orange peel on the pavement is no Christian." "Well," said a bystander, "what do you think of an orange peel that throws a full-grown man on the pavement."

It is said that the Provincial Government has funded one hundred thousand dollars of the floating debt, by a loan at par, debentures bearing interest at four and a half per cent. The lenders are the estate of the late John W. Nicholson. These terms, are, we believe, the best ever made by the Provincial Government.--St. John Globe.
