Miramichi Advance.

CHATHAM, JUNE 12, 1884.

GENERAL NOTES AND NEWS.

It is expected H. M. S. "Northampton" will visit St. John this summer.

Nothing gives such beautiful color as the Star Dyes.

The bulky driver, makes the bulky horse.

The greedy man shall not live out half his days.

There are a number of varieties of corn. Holloway's Corn Cure will remove any of them.

Weeds exhaust the land as badly as useful crops.

None but a fool thinks that he cannot learn from others.

Pleasant as syrup; nothing equals it as a worm medicine; the name is Mother Graves' Worm Extirpator.

Don't shake a hornet's nest to see if any of the family are at home.

Don't try to take the right of way from an express train at a railroad crossing.

G. A. Dixon, Franklinville, Ont., says: "He was cured of chronic bronchitis that troubled him for seventeen years, by the use of Dr. Thomas' Electric Oil."

Gentle firmness should be the rule in handling all live stock.

Pain from indigestion, dyspepsia, and too hearty eating is relieved at once by taking one of Carter's Little Liver Pills immediately after dinner. Don't forget this.

There is more profit in keeping one good animal than two poor ones.

There is no one article in the line of medicine that gives so large a return for the money as a good porous strengthening plaster, such as Carter's Smart Veal and Belladonna Backache Plasters.

Good seed or stock is cheaper at any price, than poor for nothing.

Great age carries with it a certain respectability whether it attaches to a person or thing. This is seen particularly in the case of Johnson's Anodyne Liniment, which is the most marvelous internal and external remedy ever discovered. It ought to be kept in every house.

Nearly all diseases arise from impure air or water, or from intemperance.

If farmers and others continue to buy dust and ashes put up in big sacks and sold for condition powder it won't be our fault. We have exposed the swindle time and again. Sheridan's Powders are the only kind we know of worth carrying home.

He who would have his children love their home, must make it a lovely home.

J. H. Earl, West Shefford, P. Q., writes: "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Electric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horse in cases of cuts, wounds, &c., and I think it equally as good for horse as for man."

Employ the hired hand whose clothes are patched in front, rather than behind.

Good luck—industry, care, promptness. Bad luck—tardiness, carelessness, neglect.

Miss Mary Campbell, Elm, writes: "After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I feel as if I were a new person. I had been troubled with Dyspepsia for a number of years, and tried many remedies, but of no avail, until I used this celebrated Dyspeptic Cure. For all impurities of the Blood, Sick Headache, Liver and Kidney Complaints, Costiveness, etc., it is the best medicine known."

All flocks and herds should be carefully culled at stated periods, and the culls sold.

Lumber, brick and stone are cheaper warming materials for live stock than hay and grain.

San Francisco in Luck.

At the April Drawing of the Louisiana State Lottery Company in New Orleans' Homer L. Bishop, of San Francisco, held one-fifth of ticket No. 58,298, which drew the Second Capital Prize of \$25,000. This makes the fourth large prize drawn in that city in two months. The Grand Extraordinary Drawing will take place June 17th. See Scheme elsewhere
