HANLAN. - Australian advices state that Hanlan will row Beach for the championship of the world on the first Saturday of May, 1885. He will also row Clifford for £200 some time within the next six months. Both races will occur on the Paramatta river.

Coun. REINSBORROW'S card to the electors of Glenelg is in another column. He ought to have a good chance of being elected, as he discharged the duties of the position in a satisfactory manner last year. Capt. JAMES HARRIS & Co., of St. John, whose extensive car works at St. John are noticed at greater length elsewhere, now have on hand contracts to the amount of \$100,000 for two railways alone—the Intercolonial and the Miramichi Valley. These works have an excellent reputation, and have turned out a great many cars fo the Canadian Pacific. - Industrial and Com. Index.

LET US ALONE. - Unless the Advocate lets us alone we shall be obliged to further expose it in its proposition to remove, bag and baggage, from Newcastle and locate in Chatham for a consideration. We may also think it worth while to show that it refused to publish letters in Mr. Snowball's behalf in 1874. Calamity Joe will be made to weep bitter tears—as bitter as the ale he became intoxicated on Bathurst-unless he lets us alone.

HARDWICK .- The Candidates for Municipal honors are Messrs. T. B. Williston, M. Bransfield and Jeremiah Sullivan. Mr. Bransfield has, we learn, been duced to offer at the solicitations of large number of ratepayers who formerly supported Mr. Sullivan, but have decided to replace him with a man who will not sell them out as that gentleman did last winter. Messrs. Bransfield and Williston ought to receive a solid vote from all who value integrity in those whom they choose as representatives.

PERSONAL. - Mr. John T. Cottier of Newcastle has left home for St. Paul. Minn., where we believe he intends to reside for the future. On the eve of his departure he was entertained by a number of the young men of Newcastle, many of whom had been his associates from child hood. The affair took place in the Temperance Hall and embraced a social dance and supper, and the presentation of a ring, as a remembrancer of the friends left at home. Mr. Cottier was much esteemed by his acquaintances, who hope that he may meet with the success he so well deserves in the place to which he
