CHATHAM, N. B. - - - DECEMBER 3, 1885.

The Motherless Turkeys.

The white turkey was dead, the white turkey was dead,
How the news through the barnyard went flying,
Of a mother bereft, four small turkeys were left,
And their case for assistance was crying.
E'en the peacock respectfully folded his tail
As a suitable symbol of sorrow,
But his partner wife said, "now the old bird is dead,
Who will tend her poor chicks on the morrow?
And when evening around them comes dreary and chill
Who above them will watchfully hover?"
"Two each night I will tuck neath my wings," said the duck,
Though I've eight of my own I must cover."
"I have so much to do,—for the bugs and the worms
In the garden 'tis tiresome picking,
I have nothing to spare, for my own I must care," Said the hen with one chicken.

"How I wish," said the goose, "I could be of some use,
For my heart is with love overbrimming,
The next morning that's fine, they shall go with my nine
Little yellow-backed goslings out swimming.
"I will do what I can," the old dorking put in
And for help they may call upon me too,
Though I've ten of my own that are only half-grown
And a great deal of trouble to see to.
But those poor little things are all heads and wings
And their bone, through their feathers are sticking."
"Very hard it may be, but Oh! don't come to me," Said the hen with one chicken.

"Half my care I suppose there is nobody knows,
I'm the most overburdened of mothers,
They must learn little elves, to scratch for themselves,
And not seek to depend upon others"
She went by with a cluck, and the goose to ethe duck
Exclaimed in surprise, "Well I never,"
Said the duck "I declare those who have the least care
You will find are complaining forever,"
And when all things around you look threatening and drear
And troubles your pathway are thick in,
For all in your woe, oh! beware how you go
To a hen with one chicken.

In a recent lecture on leprosy—a disease which has been widely discussed of late—Prof. Hutchinson of the London hospital stated that it is not contagious, nor is it an hereditary disease, that it may, of course, be transmitted. He believed leprosy to be caused by eating fish which has been somewhat decomposed, or has been salted. Healthy fish in any quantity will not cause it, but a small quantity so poisoned will. When leprosy prevailed in England the inland consumption of fish was very large. He cites two cases of cure of the disease, one of which was treated by himself.

Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites.

In General Debility and Emaciation.

Is a most valuable food and medicine where the appetite is poor, and the ordinary food does not seem to nourish the body. This is easily digested and assimilated and give strength and vigor to the enfeebled body.

THE STOMACH is the grand central of the living system, the first organ developed in animal life, and the first to suffer from excesses. Regulate its deceased action by Burdock Blood Bitters, which restores health to the stomach, bowels liver, kidneys, and blood.

Bronchitis.

Bronchitis comes from Colds and irritation of the Throat; Hoarseness, Cough and Sore Throat are its characteristics. These troubles may be remedied by a timely use of Hagyard's Pectoral Balsam.

YOU INVITE DISEASE when you neglect a regular action of the bowels, and incurable disease may result. Regulate the bowels and the entire system with Burdock Blood Bitters, which acts upon the Bowels, Stomach, Liver and blood.

FROST BITES or Chilblains require similar treatment to a Burn. There is no better remedy for either than Hagyard's Yellow Oil, the well-known household remedy for Pain, Rheumatism, and all Inflammatory Complaints.

Kidney Complaint.

Much is blamed upon the Kidneys when people are ill and suffer from weak and painful back, etc. If you regulate the Liver and Blood with Burdock Blood Bitters the Kidneys will soon resume a right action. Burdock Blood Bitters cleanses the whole system, Kidneys included.

A HANDY RELIEF for Pains, Aches and accidental injuries is an almost universal requirement. Such a ready remedy is best found in Hagyard's Yellow Oil, that cures Rheumatism, Sore Throat, Colds, and all Pain, Lameness and Soreness, whether internal or external.

A gentleman afflicted with the chronic rheumatism says: "No description of my case can convey the vast amount of benefit I have received from the use of *Johnson's Anodyne Liniment.* I believe it is the best article in the world for rheumatism.

The season has arrived when everybody who own horses, cattle, sheep, hogs, and fowl should begin to feed out *Sheridan's Condition Powders.* They all need to be braced up for winter. Get Sheridan's. The *large* packs are worthless.
