Big Bear's non-treaty Indians have with them thirty cattle and a good deal of loot from the Hudson Bay stores retaken. Big Bear is travelling in a direction from which he can scarcely help falling into the hands of Col. Otter or Col. Irvine. The latter is now supposed to be at Green Lake.

Col. Otter is hot on the Indian trail Gen. Middleton and Bedson will go out on the Loon Lake trail to-morrow if the

prisoners are not then in. The Mail's special from Battleford June 20, says :- Some trouble between the loyal settlers and the breeds occurred last night. A breed named Sayer who left here to join those at Bresailon and whose house is occupied by a loyal settler named Cumanion, objected to the latter using his stable. This led to a fight in which Sayer was roughly handled. Saver had said if he had a breed named Capulet with him he could clean the whites out. The crowd then went to the breed's camp near the river, surrounded Capulet's tent, ordered him out and marched him to Mr. Mitchell referred to a statement town. On reaching the telegraph office made in the Montreal Gazette, that an the crowd was met by Charles White, who accused Capulet of firing at him at Cut Knife. Capulet never denied it. Seizing an opportunity he took to his heels and escaped in the darkness ; four shots were fired after him but without effect. Major Dawson of the Grenadiers heard of the outbreak and marched two companies up to surround the saloon. On entering he found the boys quietly playing pool. He then left a party to patrol the Sir John Macdonald-I think when the town all night. Unless something is nember for Digby (Mr. Vail) asked a simdone to satisfy the settlers, and that soon ilar question some time ago I told him serious trouble is sure to occur. The that the question had occupied the attenwhole half-breed camp was deserted durtion of the Government, and that the papers would be brought down before the ing the trouble and the Indians camped end of the session. movement will not be made until McLean

to give the Conservatives reasonable assurances. He wished to study in Ireland a olan for the devolution from Parliament capture last Wednesday at Birch Lake to Welsh. Scotch, and Irish bodies of much of the business that Parliament is now not competent to discharge. He would visit Ireland as soon as posssible for that purpose. He believed that many Irish officials were in favor of decentralization and many agreed it was necessary to abolish Dublin Castle. He thought Lord Salisbuay's recent attitude savored of bluff and brag and was not likely to induce Liberals to enter into a formal compact. A Shediac Man Drowned at Ottawa. An Ottawa special of 20th inst. to the

St. John Globe says, -"Large crowds are gathered about the bank of the river this morning watching the parties who are grappling for the body of Mr. Wilfred Hache of Shediac who was drowned in the Ottawa River last night while in bathing. Levere Gelinas. Hache's companion, advised his friend to make a olunge into the water, as he considered that the best method of entering. Hache dissented from this and announced his intention of going in feet first, saying at the same time that that was the way he was accustomed to. Gelinas made a plunge and swam out for a short distance. when he heard cries proceeding from his companion for assistance. Hastily returning, he reached the place where Hache had been struggling but only in time to grasp his hand as he sunk. He did his utmost to raise the unfortunate man above the water and strike out for the shore but the current was too strong. Hache was unable to assist himseif in any way as he was suffering from cramps. Finding at length that his own strength was leaving him Gelinas was obliged to abandon his friend to his untimely fate andreached the shore in a completely exhausted condition. Hache was 25 years of age and was born at Shediac, N. B., where he lived until he came to Ottawa. He was educated at St. Joseph's College, Memramcook, where he passed with honors, winning the Governor Generals medal as a reward for proficiency in his studies. He came here about five years ago as sessional clerk, and after serving in that capacity for two years was transferred to the Post Office, where he has been en.

gaged ever since. He was a general favhave sold over a thousand dollars worth orite here and his sudden death has cast a gloom over the city."

Now, Mr. Tait, please It's the first time there was ever a disagreement between these two important political forces, and therefore some-

same day to pass a resolution of coudo lence on the death of the Roman Catholi Archbishop Bourget-a resolution which was voted down by a large majority; but the fact that it was offered affords ample evidence that the world of Christian charity moves. However, we have said sufficient to show that there is much in all these reports of religious proceedings to greatly interest the intelligent

observer.

The Scott Act in Fredericton. [F'ton Reporter.]

Mr. Leonard W. Johnston of this city is delegate to the general assembly of the Presbyterian Church now in session at Montreal. The temperance question was up for discussion at one of the sederunts and Mr. Johnston expressed his convic-

tions on the subject. If a person not actually engaged in the temperance caus were to speak as plainly as Mr. Johnston does, there are those who would rank him with drunkards and the depraved of the of duty. community. Doubtless some in this city

will greet his remarks in the same manner as some of the members of the general assembly did, but Mr. Johnston would not be likely to make them unless he believed he could substantiate them. We

put a pilot on board said vessel, we ran give the report of his remarks : Mr. Johnston, of Fredericton, said he helded to no man in his desire that the temperance cause would succeed, but he questioned entirely the prudence of the

He next wishes to know if we were on resolution as regarded the means to be used. He would ask their opponents to show in what respect such acts had been a success. He had been a traveller for ten years, and had witnessed the working of the Dunkin Act, and he would like to know where such an act had worked successfully. (Yes, yes.) The Scott Act had proved an absolute failure in Frederic-

> was just as prevalent, and whiskey was sold as much as ever. (Loud cries of No. no. Mr Johnston (excitedly)-You tell me No. no! Have you been there to see?]

am living there and know about what] am speaking. Do you think that I, a ommisoner of this Assembly, am telling vou a lie? If you do, you can send a committee down to inquire.

Several members here rose and energetically protested against Mr. Johnston being interrupted in such a manner. Mr. ohnston, continuing, said that all such opinion was educated.

t is correct, but I do not think it well to be more specific in my statement. I may of furs to the troops.
