PARSONS' PURGATIVE PILLS

MAKE NEW RICH BLOOD

Thirty years study and experiment have been given to perfecting the formula for Parsons' Pills, and the universal judgment of the highest medical authorities, scientists, and men of learning, is that our formula is the best yet devised by the brain of man, and should rank with the wonderful discoveries of the world. No family should be without them, for there is no other remedy in the world capable of conferring so much benefit, excepting, possibly Johnson's Anodyne Liniment. The information contained in the wrapper around each box is worth ten times the cost of a box of pills; it shows how to avoid and how to cure all manner of diseases, and how to correctly interpret the symptoms thereof. Sold everywhere, or sent by mail for 25 cents in stamps. A valuable illustrated medical book sent free to all who send their address. DR. I. S. JOHNSON & CO., 22 Custom House St., Boston.

GENERAL NOTES AND NEWS.

An appeal has been lodged in the Manitoba courts against Riel's conviction and will be argued about September first. If not successful there it will be carried to the judicial committee of the privy council. Riel's counsel say they have plenty of money to enable them to make the most of the case.

Pain from indigestion, dyspepsia, and too hearty eating is relieved at once by taking one of Carter's Little Liver Pills immediately after dinner. Don't forget this.

The most profitable newspaper in the world, the London *Times*, is valued at $25,000,000, and the most profitable in France the *Petit Journal*, earns $600,000 a year net, although a dozen years ago it was insolvent. The London *Standard* is valued at $10,000,000, the *Daily News* at $6,000,000, and $5,000,000 would not buy the *Telegraph*.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites,

Very Palatable and Increases Flesh.

DR. F. H. CLEMENT, Brighton, Ills., says: "Scott's Emulsion is the best I have ever prescribed. It is very palatable, easily assimilated and gives strength and flesh to the patient."

The evil consequences resulting from impure blood are beyond human calculation, so are the vast sums expended in useless remedies. *Parson's Purgative Pills* make *new* rich blood, and taken one a night for three months will change the blood in the entire system.

The Indians on the Indian reserve at Deserento, Ont. becoming displeased with the dean, Baker, violently assaulted him on Sunday night the 9th inst. They dragged him from his pulpit and threw him out of the church. Mr. Baker will lay the matter before the courts.

The relaxing power of *Johnson's Anodyne Liniment* is almost miraculous. A gentleman whose leg was bent at the knee and stiff for twenty years had it limbered by its use, and the leg is now as good as the other.

"How is Jim Bullard getting on?" asked a stranger a the railroad station of a Dakota town.

"Jim kermitted suicide 'bout a month ago, stranger" replied the native.

"Committed suicide? How did he commit suicide?"

"He called me a liar, stranger,"

Advice to mothers. Many children suffer and die from no other causes than an excess of Worms in the Stomach or Intestines, to avoid this give Dr. McLean's Vegetable Worm Syrup, any child will take it.

Captain Adams, of the bark "Isola Stewart," Sydney, C. B., to Montreal, related to a Montreal reporter a somewhat mournful story of the way the St. Lawrence tug boat men and the St. Lawrence pilot fleeced him recently. He took a pilot but wouldn't take a tug below, thinking the rates enormous. Further up the river he engaged one. Between the two the trip from Point Dumonts to Quebec and to Montreal is a pretty expensive one. The freightage on his cargo was $1,600, and the fees for the two services took $1,200. He complains of the unhappiness of his lot, and has advised some interested people to get their lumber cargoes at Bay Chaleur.

An old and well tried remedy is Baird's French Ointment. By its use Salt Rheum, Fever Sores, Ulcers, &c, are soon healed. It will cure the Itch in a few days.

The secretary of state department was interviewed the other day respecting the government's action of the appointment, by the American government, of Jas. Whelan, of Buffalo, one of the organizers of the Fenian raid of 1866, as American consul at Fort Erie. It was said that the attention of the government had been called to the character of the man, but no official to the notification of his appointment had been given. The general impression is that Canada will advise the imperial authorities to object to the appointment.

A Wise Precaution.

During the Summer and Fall people are liable to sudden attacks of bowel complaints, and with no prompt remedy or medical aid at hand, life may be in danger. Those whose experience has given them wisdom, always keep Dr. Fowler's Extract of Wild Strawberry at hand for prompt relief, and a Physician is seldom required.

A Radical Change.

The best eradicator of foul humors of the Blood is Burdock Blood Bitters. A few bottles produces a radical change for the better in health and beauty. It removes the blood taint of Scrofula, that terrible disease so common in this country.

None Better.

Never before has scandal of the grossest kind formed so large a factor in an election contest in England. The horrible revelations of the Pall Mall Gazette were believed to be incidentally more damaging to the Conservative than the Liberal party. There followed the Dilke scandal which directly smirches the character of a prominent man on the Liberal side. This in turn has been succeeded by a charge of grave immorality against Mr. Pearce, whom the Conservatives had selected as a candidate for the commons in Glasgow. It is an unsavory epidemic of scandal all around.

There is no more wholesome or delicious fruit on earth than the Wild Strawberry, and there is no more effectual remedy for Cholera, Dysentery, Cramps and other summer complaints of infants or adults, than Dr. Fowler's Extract of Wild Strawberry.

A Hearty Endorsement.

The people, the press and the profession all heartily endorse the merits of Burdock Blood Bitters as the best Blood and Liver regulater and purifying tonic now in use.

The regulations decreed by the governor general in council to avert the introduction of cholera into Canada have been published. The most important of these are that any vessel from any port of Spain or of the Mediterranean Sea is to be reputed as coming from an infected port, and suspected of being capable of introducing cholera into the Dominion; that any vessel coming from London will be reputed as coming from an infected port, and suspected of being capable of introducing smallpox into Canada; and that all such vessels will consequently be subject to the application of the quarantine regulations in force at Quebec, Halifax, St. John and the other ports of the Dominion. These regulations will remain in force until the 30th of October.

On The Rise.

"Leaves have their time to fall," says the poet, but Wild Strawberry leaves are on the rise just now, being utilized in such enormous quantities in making Dr. Fowler's Extract of Wild Strawberry—the infallible remedy for Cholera Morbus, Diarrhoea and other Summer Complaints.

A National Evil.

There is no question, but that Dyspepsia is the national disease of our country, and when complicated with diseases of the Liver and Kidneys is the cause of untold misery. Burdock Blood Bitters will almost invariably cure the worst case known.
