A VALUABLE GIFT. - Vice-Admiral Si J. E. Commerell, K. C. B., has presented to the legislative libary the charts used by Lord Nelson. At a meeting of the library commission, held yesterday, the lieutenant governor in the chair, a special vote of thanks was passed to his excellency for this precious memento of the greatest of naval commanders. Sir J. E. Commerell accompanied his valuable gift with a letter authenticating the charts as having been owned and used by Admiral Nelson, and stating that he had received them from a brother of the present Lord Nelson. The Admiral declares that he makes this presentation with a great deal of pleasure, "Halifax and the naval service having

> The Coming Great International Race.

The Boston sloop yacht Puritan having won the first and third trial races against the New York yacht Priscitla is now being put in thorough trim for the great race for the Queen's Cop against the English yacht Genesta.

The first of the races between the Genesta and the yacht selected to defend the America's Cup will take place on September 7, and the course will be twenty miles | the people that held the blanket found to windward and back. On September 9 | it?" the second race will be sailed over the ourse of the New York Yacht Club. If the one yacht should win both races that will settle the matter, but if a third race should be necessary it will be sailed over a triangular course on the outside. The

A GENUINE YANKEE PRODUCTION. A prominent yachtsman said recently: "If the Paritan is chosen and defeats the Genesta it will be a great triumph of American skill and originality. She is in all parts -hull, spar, and rigging, purely the product of Yankee brains. She is not the work of a professional designer at all, but is the creation of amateurs. Gen. Paine, Dr. Bryant, Mr. Burgess, and Mr. J. Malcolm Forbes, with perhaps a sugto the explosion on the steamer S. M gestion or two from old Capt. R. B. plosion was dynamite. The people who have all had to do with the design and had it did not intend to explode it, but construction of this boat, which is a bold were on the boat at the time and were departure from all established rules. tion of the river during the months of ed, because the affair was so arranged in history of almost all cases is the same. A this statement is made. Your investiga skimming dish. She has the American itan, has been selected to sail the "Gen-
