THE ANGRY NILE.

(continued from second page.) Of course there are exceptions, like Lieut. Kitson, who was in the boat I steered to this place.

MAKING REPAIRS. the first time since we started, with the McCrea had started down with 18 view of finding out where she leaked, Canadians and got to the upper reach but after turning her up I could not in safety, but in running through the find anything alarmingly wrong, so wrong side was taken. The boat ran concluded she was just one big leak, a on a rock. Three men were thrown sort of a floating sponge. I tarred every suspicious looking spot, and ran her into the water again, reloaded her by the light of a lamp and the moon, ed back into the boat, but Wm. Doyle, and was ready for a fresh start about of Ottawa, was drowned in sight of 19 midnight. Got three hours sleep and of his comrades who were clinging

off again. gore Rapid on the afternoon of the 4th, the shattered old rotten coffin would it is a very heavy and dangerous place loose its hold on the rock and they all -a short time back a lieutenant, a should perish. Some of our men who soldier and a Cape Coast nigger were were on the shore manned a boat and drowned there. The officer had a very tried to cross over to the rescue. This large sum of money on his person. Keep up the slack-keep up the slack in the big eddy, or roaring rapids, or it's a sure case of wreck'and probable they reached the poor fellows and reloss of life.

A NARROW ESCAPE. Just as we reached the big eddy between the first and second pass in this Canadians—rescued and rescuers rapid, one of our boats was let go care- made up a purse of \$5 for a sailor who lessly by six men and it drifted down; gallantly volunteered to help in saving into the heavy current. The boatman wrecked crew were fully an hour and a and a soldier managed to land her safe- half in their perilous position before ly on an island, mid-river, further they were relieved. emptied and manned and sent over to their assistance and brought men and boat back all safe. It was a close shave with the poor fellows, for were they swept further down it was certain death. Part of our load was taken out at this place and portaged for over a mile, and through by fifty men.

A TILLER BREAKS IN THE RAPIDS.

Canadians run one boat through and come back for the other. P. Phelan was wrecked and 3 of the soldiers and myself helped each other through drowned stood until the strain got too heavy, a bad place. when it again broke off. Phelan had a went ahead all right again.

long reaches of rapids, with an occawere enabled to row and sail, and make tolerable progress. Where we are now, at the foot of the Dal Rapid, all the load is taken out of the boats and portaged about 3 or 4 miles on camels. The boats have hitherto been carried over by men, but this day the passage was attempted by boats, with only a crew of 8 Canadians in each, and it's almost a sure case of "get up" when our lads get at it. We have not made any failures as yet, and if this trip can only be made it will be a great saving of time and hard work.

WRITING UNDER DIFFICULTIES. The first crew have not got back yet, have to start. I have very hard work perhaps a miracle that more disasters to write this, the wind is so strong that do not happen. I have to weight the paper with stones

ling a rifle and pulling an oar.

SERRAS, Soudan, Dec. 14. hard to get going ahead, but it was no die, is my motto."

carried across the desert for 3 or 4 miles | fit could only swoop 'em up," what a by the soldiers, and the cargoes on camels, donkeys and soldiers' backs. But our coming changed the order of things. Jupitor Victoria, Star, Peoples. A detachment of Caughnawagas had been stationed there for some time, and by persistent efforts had at last discovered a tortuous but practicable channel through the rapids.

FIGHTING THE RAPIDS

On our arrival the boats were empclose that the oars on one side could vanient saison." Yours faithfully, not be used; creeping into great whirling eddies; twisting round hugh rocks, sheltered by their giant masses for a moment, then dashing out into the wild, vicious current, leaping, foaming, hissing, at the bow, alongside, at the stern. Everywhere the wicked looking waters seem to struggle to overwhelm you, and as with set teeth and strained muscles you cross into a comparatively smooth eddy, you could almost imagine that you hear the surging tide yell with disappointment at being robbed of the prey almost within its grasp.

to push upwards to the head, about 4 in despite of a desperate opposition miles, and as the river is fully a mile from the antagonistic shipowners. I wide, and we have to corkscrew our way up, you may make a pretty shrewd think it ended with dal or sol (it wasn't guess how glad we are to stretch our Ingersoll, though I believe in his case

the trip in. The bow was split for think I'm so hoggish as to refer to the fully two feet and bound around with Canadians alone, no, I mean on behalf rope to hold it together-no wonder of the whole expedition-Arabs, Egypshe leaked like a sieve. We started at tians, soldiers, sailors, negros, all-for if sundown, made only three miles, spread any period of inaction takesplace, and the our rubber sheets on the sand, and hot weather sets in, these papier mache slept in the open air; and to add to our boats we are using will shrink and comforts we had only two kettles to shrivel up, and become ten times worse cook for 38 men. In fact, we were they are, and as sure as there is a cook for 38 men. In fact, we were started off far more carelessly than a drove of cattle would be in Canada. Prophet won't slav the one handred the started off far more carelessly than a control of the late of the late Honorable William Muir-hand of Chatham are hereby notified to file the legislature of New Brunswick for an Act to Incorporate a Company to build a Rail-handred the late Honorable William Muir-handred the late Honorable William drove of cattle would be in Canada. Prophet won't slay the one hundredth same duly attested with the undersigned Execu-But as the trip was supposed to take part of the number that will be sacrionly two or three days, we had to grin ficed in our homeward trip by this immediate payment to us. Signed and bear it, like a monkey taking a dangerous and treacherous river.

DOYLE OF OTTAWA DROWNED. On the 12th we had a good run back as far as Ambigool (torm whence I wrote on the 29th of last month,) making the upper reach at 4 p. m., where we heard the sad news of another of our Canadians having gone the way of poor Faulkner and about a mile above where On Dec. 3rd I beached my boat for he met his death. On the 6th Captain out of the boat-one of them was helplessly to their wrecked craft, not We reached the big gate of the Tau- one of them dare move from it for fear

of Northumberland, on the nineteenth day of September, 1883, in Volume 62 of the County Records, pages 113 and 114 and is numbered 113 in said volume, there will in pursuance of the said power of sale and for the purpose of satisfying the gage, default having been made in payment thereof, be sold at Public Auction on Thursday, the nineteenth day of March next in front of the Post they failed to do, so they cut the rope Office in Chatham in said County at twelve o'clock, noon, the lands and premises in 1 Inand pushed further down and then by denture, mentioned and described as follows, namely, - All and singular that certain lot, piece they reached the poor fellows and reor parcel of land and premises situate, lying and being in the Parish of Chatham, in the said County of Northumberland, and bounded as follows lieved them from their great peril. As the last three men were getting off the Commencing on the north side of Pleasant Street at the south-west corner of the piece of wreck the mantrap rolled off the rock land deeded by one David Rogers to one James El-kin, thence westerly along the north side of and sank. On reaching the shore the Pleasant Street, thirty feet four inches, or to the easterly side of land now or lately owned by James Ahearn, thence northerly along the said James Ahearn's easterly side line seventy-three feet or to John Kirby's rear line, thence easterly a hundred spectators looking on help-lessly as they swept through the eddy morning of the 12th about 8 a.m. The along John Kirby's southerly side line thirty-four feet four inches or to the north-west angle of the said James Elkin's land thence southerly on a line parallel with the said James Ahearn's side line to the north side of Pleasant Street being the place of beginning—being the same piece of land conveyed to the said Donald Buckley by Deed bearing

RUN ON A ROCK-THREE SOLDIERS date the twelfth day of December A. D. 1870 and DROWNED. of Northumberland in volume 54 of the County Records pages 403 and 404 and is numbered 288 As we were coming down about four miles above Semneh our boat also ran on a rock in a very bad spot-stove in, or started a couple of planks—and there we stuck in the middle of as wild a the boats thus lightened were towed rush of waters as we have yet encountered, until foreman Laroque, of Ottawa, reached us in his boat and took most of our men and baggage off. or parcel of land and premises, lying on the west side of Bay du Vin River in the Parish of Hard-wicke, in the County of Northumberland, known At this place there are four heavy Seven of us stayed in the boat, which pulls, the first takes 600 feet of rope swung off the rock when thus lighten and the strain is beyond conception. ed, and we managed to pull the old two hundred acres more or less which piece of sponge ashore, and having filled the land was conveyed to the said Donald Buckley by Thomas Power by Deed bearing date the 18th each boat hang on the strength of the holes as well as we could with rags, and slender line which hums and hums and kept two men bailing all the time we the County Records of the County of Northumsqueaks again and again under the succeeded in reaching here all right on strain at those very heavy places. We afternoon of yesterday the 13th.

On the 11th a boat manned by 8

here, we took my boat through safely. Every day, almost, a boat comes to But bringing up Peter's boat in the grief, generally through the inertness very worst part of the rapid the rudder handle broke in my hands. I shoved the splintered end further in and it rowers losing their presence of mind in

THE DANGERS OF THE STREAM. heavy paddle in the bow and he held No doubt this is a dangerous, bad the boat's head out with all his strength, river to work on—here ridges or ragwhile I poked the broken bit out of the | ged-edged rocks just appearing over rudder eye, reversed the handle and shoved it in its place, providentially it was small enough to take hold and we mass will show its face for a moment ere it is again engulfed in the stream; From the 6th up to this day, the 10th, we have been working through long reaches of rapids with an occasional stretch of 5 or 6 miles where we river is full of these, our greatest enemies. Front and rear, left and right all these traps seem to be set for you, and the man who can't use his eyes and his brains as well as his hands, who won't believe that he has eyes in the back as well as the front of his head and sees and hears everything above, below and around him is little use here-of course I am speaking metaphorically, but no doubt you will understand my meaning, and when I consider that the great majority of the men employed in this work never pulled an oar or a rope in their lives, that the daily exercise of each man was his morning drill all skewered up like a roast turkey, or a parade about ten and as I am needed at my ship I will yards in front of his sentry box, it is
