CHATHAM, N. B. - FEBRUARY 25, 1886.

Not as I Will. BY HELEN HUNT JACKSON.

Blindfolded and alone I stand With unknown thresholds on each hand; The darkness deepens as I grope, Afraid to fear, afraid to hope;

Yet this one thing I learn to know Each day more surely as I go, That doors are opened, ways are made, Burdens are lifted or are laid

By some great love and still, Unfathomable purpose to fulfil, "Not as I will."

Blindfolded and alone I wait, Loss seems too bitter, gain too late; Too heavy burdens in the load, And too few helpers on the road.

And joy is weak and grief is strong, And years and days are long so long; Yet this one thing I learn to know Each day more surely as I go, That I am glad the good and ill By changeable love are ordered still "Not as I will."

"Not as I will"--the sound grows sweet Each time my lips the words repeat. "Not as I will"--the darkness feels More safe than light when His thought steals

Like whispered voice to calm and bless All unrest and loneliness. "Not as I will" because the One Who loved us first and best has gone Before us on the road, and still so long For us must all His love fulfil-- "Not as we will."

GENERAL NOTES AND NEWS. The ice crop on the Hudson is an abundant one.

The prohibitionists of Delaware are out as politicians regardless of party affiliations.

Father is Getting Well. "My daughters say: "How much better father is since he used Hop Bitters."

"He is getting well after his long suffering from a disease declared incurable." "And we are glad that he used your Bitters."

A LADY of Utica, N. Y. At a recent meeting of the National League Dillon said:--"We will only accept the complete form of Home Rule. When we have that, then I and other Irish extremists will join hands with Englishmen."

Advice to mothers. Many children suffer and die from no other cause than an excess of Worms in the Stomach or Intestines, to avoid this give Dr. McLean's Vegetable Worm Syrup, any child will take it.

Von Moltke is seriously ill. Time and money are both saved by keeping in the house a bottle or two of Baird's Cure-All Lintment. Hundreds can testify to its value for Diphtheria, Rheumatism, obstinate Pains and Lameness. Sold by all dealers. Price 25 cents.

Mr. Chamberlain has quarrelled with and utterly abandoned Sir Charles Dike. For Coughs, Colds, Croup, Congestion, Irritation of the Throat, and all diseases of the Throat and Lungs Baird's Balsam of Horehound will give immediate relief as if by magic. Sold by all dealers. Price 25 cents.

Nova Scotia sold 7,000 tons less coal in 1885 than in 1884.

The editor of an agricultural paper says there is absolutely no cure for hog cholera but that Sheridan's Condition Powder given occasionally will certainly prevent it. Be sure to get Sheridan's. The other kinds in large packs are trash.

Irish Presbyterians to the number of 328,100 have adopted resolutions denouncing the project of establishing Home Rule.

Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites. A Most Nutritious Food and Medicine. Dr. LINDSAY JOHNSON, of Cartersville, Ga., says: "I take great pleasure in saying your Emulsion has proved itself in my hands a most efficient remedy, in the various wasting conditions calling for such a nutriment."

A writ of quo warranto to unseat Mayor Howland was granted on 17th.

Did She Die? "No! "She lingered and suffered long, pining away all the time for years. "The doctors doing her no good;" "And at last was cured by this Hop Bitters the papers say so much about." "Indeed! Indeed." "How thankful we should be for that medicine."

Mr. Gladstone has taken the office of Privy Seal in addition to that of Premier.

Threatened Danger. In the fall of '84 Randall Miller, of Maitland, N. S., was prostrated to his bed with an attack of incipient consumption. Cough remedies all failed. He rapidly grew debilitated, and friends despaired of his recovery. He tried Burdock Blood Bitters, with immediate relief, followed by a speedy cure.

It is expected that Mr. Gladstone will not be able to give a detailed statement of the Government's Irish policy until the session is somewhat advanced.

Weather Probabilities. The probabilities are that we shall have much damp, chilly, sloppy weather during the coming season--just the weather to contract sudden colds. Be prepared for them by having on hand Hagar's Pectoral Balsam, a safe, agreeable and speedy cure for colds and their consequences.

In London iron declined sixpence and sugar became flat on the strength of a report that the Morrison Tariff Bill would not pass Congress this year.

The Faith Cure. This new theory of cure is rapidly growing in fashion but is illogical in reason and science. Faith without works is delusion. Those who have faith in Hagar's Yell-

low Oil have its good works to assure their faith. It is an unfailing external and internal relief for aches, pains, lameness and soreness.

Lord Salisbury accuses Mr. Gladstone of destroying the power of the landlords in Ireland, and failing to create anything capable of promoting peace.

Of Vital Importance. It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth.

Nearly all our bodily life arise from unhealthy blood. Burdock Blood Bitters purifies this fountain of life, and regulates all the vital organs to a healthy action.

The police of Chicago, one day last week impounded over two hundred horses securely attached to all kinds of vehicles, because left unattended in the streets.

Joyful News. It is certainly glad tidings, to the poor invalid to be informed of a remedy that will give prompt and rare relief in case of painful suffering.

Such a remedy is Hagar's Yellow Oil adapted for internal and external use in all ordinary aches, pains, lameness and soreness. It cures rheumatism, neuralgia, sore throat, croup and all inflammatory pains.

The body of a clergyman named Jesse B. Brady was found, on 17th inst., floating with the ice in the Mississippi, near St. Louis. From papers found in his possession it was clear that the deceased had committed suicide.

Word of Explanation. The liver secretes bile to move the bowels; the kidneys secrete urine, to carry off the stomach's secreted gastric juices to digest or dissolve the food, etc.

Burdock Blood Bitters acts upon these organs and purifies the blood by cleansing all the secretions of the system.

At a recent meeting of the National League Dillon said:--"We will only accept the complete form of Home Rule. When we have that, then I and other Irish extremists will join hands with Englishmen."
