Important to Shipowners

MONTREAL, June 18.-The shipping community here expresses considerable surprise and indignation at the action of owners of Anticosti in seizing salvage from the wrecked Dominion line steamer Brooklyn. The claim is based upon the presumption that proprietorship includes the shores, contrary to the generally accepted law, which regards the sea shore as public property. The Brooklyn was wrecked on Anticosti, and a barren shore was used by those engaged in dismantling the wreck to deposit thereon salvage. The proprietors claim that there would have been nothing recovered from the That shortly after election day Father Richard called on the firm in question to wreck had their property not been used accept his draft for \$800, which they reas a depot and base of operations. and

fused and advised him to seek financial that for this accommodation they have a right to look for recompense. It is The above matters, as presented at Otfurther said that the owners of the island tawa, are both colored and changed from claim that they become owners of all vestheir original elements and conditions. sels wrecked on their shores. Color is lent to this statement by the fact that the seizure on salvage landed at Quebec is its full value. The Dominion line have non-acceptance the draft was for pure determined to resist the seizure to the business reasons, unaccompanied by the bitter end, and other shipping firms are a lvice stated. The gentleman trom Otevincing the keenest interest in the case. These and other representations being
