# LAURENCE'S SPECTACLES.

When are Spectacles Required?

When the eyes water or become so fatigued by use as to be obliged to be frequently closed or relieved by viewing different objects When more light is required than formerly.

When the letters of a book appear to blend with one another When the lamp has to be placed between the eye and the object. When objects cannot be seen without holding them at an in-

creased distance. When much difficulty is found in threading a needle. When the eyes appear confused as though they had a mist be-

When black specks seem floating in the sight. When any of the above indications arise all affectation should be laid aside and a pair of Laurences Spectacle's or eye Glasses should be worn immediately.

Good fitting glasses are a great comfort. Our facilities for testing the sight and suiting the age are not surpassed anywhere.-Prices to suit everybody. AT THE MEDICAL HALL, J. D. B. F. MACKENZIE,

Inst., report:

Inst. year, and the aggregate townage to this date from all places in the years 1884, 1885, and 1886, has been 49,249, 53,544, and 37,097 tons respectively. The tone during the past month has been one of quiesence, and though our or Female Complaints, MALARIA, been one of quiesence, and though our trade has been somewhat interfered with by the Easter holidays, the consumption generally of all woods is nearly on a par

with the same month last year; from the

1st of February to date it is less favour-

Prices still keep very low without any prospect of improvement, and stocks New Brunswick and Nova Scotia Spruce and Pine Deals.—The only arrivals dur- this remedy, after suffering for two years.

ing the past month have been 2 vessels from St. John, but chiefly consisting of birch timber. The demand continues poor, and the late auction sales have been very dull, the bulk of the cargoes offered being withdrawn and which are now being sold by private. Prices are unchanged, and the stock of spruce cluded to try Burdock Blood Bitters, inthough 4,800 standards less than last year | ternally and externally, a few bottles of is too heavy. Pine deals are heavy in which entirely cured her. stock, and the demand has been limited. Birch has gone off fairly well, but the stock is excessive, being double the quan- United States Commissioner Osborn, in tity held same time last year; there have which the extradition of Edward H. Goff

been no recent sales. Sales of St. John spruce during the month averaged £6 1s. 3d. under date of May 4th, say:
Although the long-looked for "better

and other branches of commerce. Un- blood and builds up the enfeebled frame, fortunately it does not extend to the timber trade. Here the depression has been long and continuous, and no signs of improvement are observable. How period of last year, and very little is comperiod of last year, and very little is coming in. The consumption, too, is small—the demand being merely of the hand-to-mouth description, which is made by those who require it. There is no brisk demand, and trade is languid. The consumption of spruce deals, &c., for the month was 3,696, standards, as compared with 2,872 in 1884, and 3,978 in 1885. Messrs. Singleton, Dunn & Co., Glasgow, say in their circular of the 6th

great anxiety, to divest themselves of their stocks. In consequence, prices over all are scarcely so good as they were, though there is no item to which we can age of nearly five miles. call special attention as having yielded much in value. The saw mills and retail yards are fairly busy, and the stocks there are rapidly diminishing. In the ship yards, too, stocks are at a minimum, dealers and consumers will require to operate extensively even for ordinary every-day supplies. Shipbuilders have not got much fresh work, though there are rumors that several large contracts are just on the eve of being fixed. House business continues dull, and general business is languid. North of Europe goods are moving off fairly well; but the principal dealers have made very limited purchases of goods for shipment during the season. So far, prices are similar to what they were a year ago.

Yellow Oil. It cured Mr. John Siddell, of Orton, Ont., who was afflicted for years with contraction of the bronchial pipes and tightness of the chest. It is the great remedy for internal or external pain.

When an editor sends his paper to a man for six or eight years in the vain hope that the fellow will pay up, and then has a paper returned to him some fine day, with the words "Gone to a series of the chest. It is the great remedy for internal or external pain.

they were a year ago. and very few changed hands. Within the last day or two there has been more enquiry, and we anticipate a fair business during the month. Prices were about an average. There was no transaction of much importance to report. As to stocks, first quality are too plentiful; but thirds of standard sizes are exhausted, even oddments are not very heavy; fourth Pine are out of stock, and so are Quebec Spruce. Lower Port Pine are entirely in dealers' hands, and Spruce are very

light in the yards.

Mr. Rufus F. Bacon held one-fifth of the ticket which drew the capital prize of \$75,000 in The Louisiana State Lottery Drawing of April 13th. Some of his friends suggested that they purchase some tickets in The Louisiana State Lottery. They purchased one-tifth of ten different tickets, paying therefor \$10. When they got the tickets, each selected two tickets haphazard, and if either ticket drew, the amount was co be divided between them all. On Wednesday last a telegram was received, stating that ticket No. 25,244
